Letter To The Editor

THREE CHILDREN WANT A BOYS CLUB

The Daly City Boys Club folded last month because local residents just didn't seem to care.

Some of them are now showing that they do care, and offering time and money to get the Club back on its feet. But for those who hesitate, read the words of these three children.

We read the letter that our neighbor Dorothy Goetter wrote about the Boys Club here in Daly City, so I asked my mother if we could donate something too, and how we should do it.

Mom says she will do her share, if we will do ours. We decided we could invest ten cents a piece from our Saturday allowance for 400 boys for one year.

My mother said she would cut her menu down on a Saturday night like our neighbor did and save up the difference to make one

dollar, and this way it won't hurt to give a little more, because we have given to other things, too.

Our Saturday night menu will be hamburgers, too, with mustard and onions. I am the oldest and my name is Mary. I am 13 years old. Daddy thinks it will be alright if I make a cake for our Saturday hamburger night, because Rita, my eight-year-old sister, and my brother Clifford, 6, and myself each gave 10 cents of our allowance.

Enclosed is one dollar for the Daly City Boys Club. We don't mind giving, and especially we like hamburgers, and besides my brother Clifford can join maybe when he gets big.

Signed:
Mary Jo Fulwider, 13
Rita Fulwider, 8
Clifford Fulwider, 6
84 Vendome street

Boys Club Needed To Assist Community

Reading the Daly City Record every week, I am very interested in the Daly City Boys Club.

Although I can't give too much, I will be glad to give what I can. I have no small children to attend, but I have grandchildren, and I know it is very important to have a boys club.

I know what it is to have boys on the street, but I'm very thankful because I raised three boys and thank God they are fine citizens.

I sent my sons to the boys club since they were five years old, and that was back in...

I hope that all residents of Daly City will be interested in it, for it is for our own benefit to have a good citizen in our community.

Enclosed you will find a check for \$2. It is not much, but it will help. (Ed. Note: The sentiments expressed in this letter are invaluable.)

Yours truly,
MRS. D. BELLIZZI
362 Willets

Reader States Views On Coming Election

It is extremely gratifying to note by your front page "Box," the Record will print both sides of the coming election. I am in complete agreement with your opinion that the people of Daly City are keenly aware of the fact this election is going to be a very important stepping stone for the future of our city.

If I may go back a year or so you will recall our last city council election in which Mr. Mooney and Mr. Bertetta were elected on a platform of Annexation and Recreation which the people wanted and so indicated by their choice of these two fine gentlemen. They have more than fulfilled their platform and have gone on working tirelessly for the development of a city which they insist will become the pearl of the entire Peninsula, and who is there to deny this.

The annexation of the beautiful Westlake district was approved by the voters of our progressive city.

The parks and war memorial recreation program sorely needed by a rapidly growing city has been overwhelmingly approved by the same voters.

Daly City needs long range planning, the voters are very conscious of this fact. The truth is, the residents are fed up with the corny hecklers who come out with black eyes against the name of the city, under the guise of election statements, and make dark but guarded implications about the way it is acquiring the necessary property for the above improvements. The bulk of these statements are an insult to the intelligence of the thousands of people who have sanctioned our present program of improvement.

We have our choice of electing the group which has already classified Daly City as a den of thieves, or casting our vote for a business like planned administration, which the responsible voters have already asked for as evidenced by the last three times we have voted.

The answer becomes increasingly apparent to all concerned, a thumping vote of confidence for Messrs. Gagero, Green, and Kennedy, skip the first name on the ballot and give a boost to the three men who are working for the welfare of all the people in our community! "That's The Ticket."

Sincerely yours,
JAMES BAIRD, JR.

Daly City Extends Hand To Westlake

My Dear Mrs. George,

I read with interest your letter to the Editor printed in the Daly City Record March 16 and I must confess I was considerably upset with the thoughts expressed therein.

Please let me assure you that the people of Daly City are very proud of the new Westlake district and welcome with open arms the high class of residents which a beautiful subdivision such as this quite naturally will contain.

Unfortunately, the city is at present embroiled in an election of officers which will have a rather telling effect on the many new projects now underway, among them the development of your own Westlake district!

The frightened men who can envision the growth and progress of a city are 100 per cent in favor of installing the necessary conveniences in this new district; indeed, they are the ones who carried the entire plan to the voters of the city, who in turn approved the annexation wholeheartedly by voting for it!

I feel confident that the "agin' its" will be thumped at this election and the men who fostered and earnestly want to develop your district will be maintained in office. I refer to the Messrs. Green, Gagero and Kennedy, of course.

Perish the thought of your not being welcome and give those who want to do good a little more time. I am sure you will find the results most gratifying. With kindest personal regards, I am,

Very truly yours,
JAMES BAIRD JR.

TEST YOUR I. Q.

1. Clio was one of the nine Muses of ancient classic mythology. What was her field of interest?
2. What city has sometimes been called the City of Notions?
3. About how much does it cost to attend a major college for one year?

4. What country has a military force known as "Aggressor Army"?
5. How many people live in New York City?

Answers to TEST YOUR I. Q.

1. Clio presided over history.
2. Boston, Mass.
3. A survey of representative institutions conducted in 1949 showed cost of tuition, books, clothes, room and board for one year varied from \$920 at the University of California to \$2035 at Southern Methodist University.
4. The United States Army has a specially trained army known as "Aggressor Army." These troops are used as the enemy in field maneuvers.
5. Estimates for 1949 give the population of New York City as 8,160,000.

New, Lower Priced Studebaker Now On Display At Sweeney & Sons

(Continued from Page 1)

Mr. Sweeney should know whereof he speaks. He has been in the business pertaining to vehicles since 1908, starting in his father's blacksmith shop as a boy.

The shop was where his present business stands today, 6806 Mission street. At first he helped shoe horses and repair carriages, then automobiles when they came into vogue.

He explained that in the early days garages were few and far between. Therefore, when something went wrong owners came to blacksmiths to get their cars repaired.

Forthwith, he was struck with the possibilities of the new contraptions. Hence, he centered his efforts on them, learning all he could about what made them run.

From repairs, he dealt in cars and then in 1919 secured the Studebaker agency, which he has maintained ever since, a record of which he is more than proud.

Sweeney went on to relate that one of the most important factors in his estimation, is the steady increase in sales enjoyed by his agency up to the present time.

With him in business as partners are his two sons, Bill and Ray, making a full rounded team. Senior directs while the sons carry out the maze of required details.

Both Bill and Ray were born and raised in Daly City. Moreover, they started out working after school, learning much about automobiles while still in their teens.

After graduating from Jefferson High School, Bill attended the University of San Francisco while Ray studied at San Mateo Junior College. Both were active in athletics, playing football and baseball.

They saw service during the war, Bill entering the Air Corps and finishing on Okinawa, the hot spot of the battle against Japan.

Speaking of their agency, Bill averred that service is the vital concern of a successful dealer. Therefore they have factory trained mechanics working under the personal supervision of the Sweeneys to assure expert and reliable service.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode
One way to lengthen slips for that fast-growing daughter is to cut off the straps and sew the rest of the slip to the end of a blouse. This not only makes a short slip longer, but also keeps the blouse neatly tucked inside her skirt.

Have you tried the vitaminized margarine which comes in a handy measure-pak? Each pound is divided into four quarters and each quarter is a unit of measurement, e.g., 1 quarter equals 1/4 cup and 1/4 print equals 2 tablespoons, to make measuring for cooking easier.

Instead of using a dish or saucer, place a mirror under the fish bowl, flower vase or plant. It will protect the furniture from water spots and in addition it will reflect your pretty setting.

Caught in the rain with your best shoes? Well, the sooner you get them off and on to shoe trees the better. Otherwise they'll curl up in the toes. Let them dry and then give them two coats of that shined. That helps soften the leather and restores gloss and color.

If you use a wringer-type washing machine, feed cottons and linens through the wringer flat, in straight, lengthwise folds. They'll be a lot easier to iron 'cause wringing tightly or twisting adds wrinkles and strains material.

Easter Egg Hunt

(Continued from Page 1)

of the 6-8 year group.

For the youngsters living in the northern part of the city, those going to the following schools, Thornton, Jefferson and Woodrow Wilson, these sites have been selected: five years of age and under, the area just west of Frankfort street between Acton and Oliver streets; six to eight years of age, inclusive, foothills east of Frankfort street at the east end of Oliver street; nine to twelve years of age, inclusive, hillsides north of the 6-8 year group and at the top of Whittier street.

It should be noted here that the children going to OLPH and the preschool children should go to the sites nearest their homes. For any information, or clarification of the above, please telephone the Recreation office, JUniper 4-0194 any time between 4 and 5 p.m.

At a recent meeting the following people were kind enough to accept positions on the following committees for this year's Easter egg hunt: general chairman, Erle Johnson; assistant chairman, Elman J. Rose; egg coloring committee chairman, Mrs. Hilda Heagney; assistant chairman, Mrs. Mary Larson; egg hiding committee chairman, Mrs. Gladys Kennedy; assistant chairman, Mrs. Cecil Saarinen; prize committee chairman, Mrs. R. Valetta Ennis; assistant chairmen, Mrs. Lee Miller and Mrs. Susan Schroeder; supervision committee general chairman, Glen Smith.

This year there will be 3,000 eggs hidden for the boys and girls to hunt. There will be certain eggs, which will be described later, hidden with the other which will entitle the finder to a prize. There will be approximately one prize egg for each 100 eggs hidden, this will mean 30 prizes and at least five prizes for each group.

In the event of rain or wet grounds, the egg hunt will start at 2:30 p.m. Easter Sunday.

What's Going On Around Town

(Continued from Page 1)

words of Henry Miller, Kenneth Fletcher, Will Aubrey, Richard Demoddy, and even one of Kenneth Patchen's amoeba figure drawings. This first issue is something no person interested in literature and the arts should miss. It can be found locally in art galleries, book stores, and on several magazine stands. We haven't the space to review Cummings' "baby," but it has come into the world with a loud, often dissonant cry, that claims attention.

Signs of the Time: Individual earnings of over \$5,000 a year in San Mateo county have increased 36.5 per cent over the past two years. . . G. F. Barrett, 127 Flournoy, reports his lost wallet was returned this week, but minus \$10. . . Mayor Paul Green has an article concerning Daly City in the latest issue of Western City magazine. . . Finishing touches are going on the new Serra theatre on Junipero Serra. Rumor has it that the flickers will be going full blast there by next month.

Names in the News — Kenneth F. Steele, 179 Hillcrest, has applied for a permit to drive a taxicab. Robby Walker, 6, 545 Winchester street, treated at Junipero Serra hospital Sunday for a cut hand. James Kennedy, 6893 Mission, lost a \$90 wrist watch Friday in the Mission district. Laureen Beecher, 7, 100 Los Olivos, is recovering from a dog bite on her left hand she suffered Friday. Joe Casau, 400 Templeton, is looking for a wallet today, containing \$60, which he lost between Templeton and Sikes March 17.

Last week end we read John Hersey's new book, "The Wall." Those not familiar with the author may remember a movie, "A Bell for Adano," based upon a novel of the same title written by Hersey. The author is also well known for his graphic, coldly concise report on the atomic bombing of Hiroshima. "The Wall" is by far his finest work, and like his previous writings reflects a repertorial technique that lends startling validity to everything he touches. This latest novel deals with the systematic annihilation of over 500,000

For First Time In Three Years Daly City Reaches Red Cross Quota

STRICTLY FRESH

WELL, it won't be long now until most of the strikes people are howling about will be called by the umpires.

The director of the United States Mint doesn't look with favor on the proposed 2 1/2- or

7 1/2-cent pieces. In other words, the mint wants no change in its change.

A Chicago wedding featured a cake-arch that the wedding party walked through. Think of all the dough wrapped up in that one.

Uncle Sam is dying the surplus potatoes blue before destroying them. Is that, maybe, in honor of the taxpayer who feels that way because of the \$100,000 he paid for them?

Jews in the Warsaw Ghetto between 1940 and 1943. However, the book has little to say about the Germans, but rather concentrates on the effect of impending death on members of the Ghetto. Thus, it is universal, in that Jews are no longer Jews, but men trying to survive in the face of death as represented by the impersonal Germans. The book should be read by any advocate of a war to end troubles. It probably will end all such talk.

Bargain — This week end Lucca Market, 7370 Mission, is handing out a free wooden salad fork and spoon. Well, almost free . . . the set is given with each gallon of salad or olive oil purchased. But then, what good is a set like that without a salad?

Com. Bordson Discusses Hoover Plan And GI Bill

(World War II veterans will be interested in this sixth article by Commander Bordson in which he discusses the Hoover Commission demands the transfer of the home loan function only to the Housing and Home Agency!)

But in its great wisdom, the Commission ignores the existence of farm and business loan-guaranties for the World War II veteran under the same G.I. Bill. It would transfer only the best third of the loan-guaranty program—the home loan function.

The Commission's failure to make mention of the administration of farm and business loans remains unexplained. The American Legion takes a dim view of this failure. It suspects with good cause there may be further jokers in store for the veteran because here is too good an opportunity for additional complications. That is to make a further division of veteran loan-guaranties into still other federal agencies to create still more new jobs and paper work in the holy name of "economy".

It appears significant that the Commission picks on that part of the loan-guaranty program which has the best record in lending risk! Defaults on farm loans average 2 per cent and on business loans 5.7 per cent against 1.3 per cent for home loans.

The Loan Program
The loan-guaranty program under the G.I. Bill was designed to give preferential treatment to veterans. This basic objective can be best fulfilled through administration by an agency primarily interested in the welfare of veterans which is the VA. But the Hoover Commission plans to put it under a federal agency which deals with financial assistance for the general population and has no specific interest in veterans.

Such a move can result only in inefficiency, delay, red tape, duplication and in the needless harassment of the nation's best veterans—the home builders!

My next article will describe how the Hoover Commission plans to destroy veterans preference in government employment and push the veteran out of civil service jobs!

But without any logical reason except the over-worked term of "economy" the Hoover Commission proposes to disrupt this smoothly functioning VA activity and to mess it up like a bull in a china shop!

The Commission would lift the home loan functions alone out of the hands of the VA and transfer it to another agency of government, but with its usual acumen

COMMISSIONER ELECTION APRIL 3

Broadmoor, Garden Village Residents Urged To Vote At Polls Monday

With two men seeking election to the one police commissioner position April 3, all residents in Broadmoor and Garden Village today were urged to vote.

There will be only one polling booth this year. This is to be located in the Broadmoor police station, near 90th and Sweetwood drive. The booth will be open from 7 a. m. to 7 p. m.

Seeking election to commissioner, for a three-year term, are Armando Ferraris, 28, Rt. 1, Box 386, Colma, and Tom Jenkins, 29, 1148 Nimitz drive.

The commission is in charge of police control in the unincorporated areas of Broadmoor, Garden Village and Colma. Therefore, the commission is of direct concern to every resident in these areas.

Last year less than 20 per cent of the voters appeared at the polls, Jenkins said.

"It is up to every citizen out here to exercise his, or her right to vote. Otherwise, they can have no complaint as to how things are run either in Broadmoor or Garden Village," Jenkins noted.

Briefly stating his platform, Jenkins said:

"I will use my legal background to assist the community in building up the commission so it can better serve the people. To date it has been doing a good job, but there is much room for improvement."

"As I am also a member of the other Broadmoor governing body, the Broadmoor Property Owners Association, I will be in a good position to coordinate the activities of both organizations."

Tiny Tots Playground Opens This Week

Now open for "tiny tots" is a small playground at Citrus and Niantic.

The grassy lot was opened this week by the city for the use of children between one and five years of age. Within the next few weeks various playthings will be installed, Mayor Paul Green said.

This is the same park which A. J. Bodien believes has already been named after him. However, Mayor Green said the park will be called "Niantic" until such time as the works superintendent's claim can be established.

AROUND THE VILLAGES with Verna Duste

Before we say another thing (almost) I want to extend to Mrs. Dorothy Heim our sincere hope for a speedy recovery. One of our "best scouts" — Dotty is a Garden Villager, and a darn loyal one, too! So let's get up out of that sack, and back in circulation, Dot!

Now! We're free to say that "another thing" we talked about so verbosely (no thanks to Chet Huntley for that one!). By the way, did we tell you about the Broad Moor (pretty famous one, at that) who called us and proudly announced his long-standing acquaintance with the said Chet Huntley, and then added—"Y'know, I never can remember whether he lives on Larchmont or Thornhill." That very same Broad Moor is going to be rather flustered to find out that the Mr. Huntley to which we had reference is the news commentator (CBS — Monday thru Friday, 5:30 p.m.). Touche!

The "Hail" Department for this week includes Christine Ann Mitchell, recent addition (as of March 11) to the John Mitchell family on Maddux, who arrived from Chicago via Sun Valley, where she had herself a fine time skiing (on your feet, Hermina?).

Mrs. Gigi Blount (Yes, Sam, Mrs. Benjamin J. Blount) is leaving in June for Belgium to visit her parents. Accompanying her mother is the little Mademoiselle Blount. Gigi and Co. are going by way of Paris, and the passenger list of the plane will be made up entirely of "war brides" who are returning to their native lands for a visit. What a thrill, to see one's family after all this time, and above all, that wonderful, wonderful Paris!! Ooooo, la la!

Everyone-Is-Talking-About: The latest "Touch of Culture" — the Crest Theatre presenting Laurence Olivier's "Hamlet" to a breathless audience — the Police Commission election, and who the heck are the candidates? Oh, you haven't heard? Tom Jenkins and Armando Ferraris, natch!

By the bye, nice people, many thanks for your telephone calls, pro and con, about our little ditty on the Board of Directors — your calls and letters were and are sincerely appreciated — you know, it does us good to know our reader has multiplied into a few readers. Just think — a couple more, and we'll have a "following"! Selah!

Lake Merced VFW Auxiliary Plans Meet For April 11

A combination round table discussion and social meeting will highlight the next get-together of members of Lake Merced Post No. 9921, VFW Auxiliary.

The meeting is scheduled for Tuesday, April 11, at 8 p. m. at the Broadmoor Community center. All those interested are invited to attend.

Just three days later, Friday, April 14, the Auxiliary will install new officers. This meeting is to be held in the Colma Community center, Dunk street.

New officers include: Gladys Holt, president; Marjorie Franklin, senior vice-president; Carol Hocking, junior vice-president; Anita Woods, chaplain; Mary Attebery, conductress; Gigi Blont, guard; Dorothy Goodwin, three-year trustee; Margann Patey, one-year trustee; Robin Kelleher, treasurer; Stella Magoon, secretary.

Another event of interest this month will be the canasta party to be held at the Colonial April 21. Further details are to be published at a later date.

Other coming events include: helping to sell Buddy Poppies; assisting in the sale of tickets for the Post's "Nightclub" dance, May 13.

Looking back over past events, the Auxiliary held a canasta party and style show March 10. Dresses for the show were made available by Leslie's Dress shop.

Then, on March 14, the nomination meeting was held with the following honored guests present: Martha Schmitt, Twelfth District president; Doris Marzlin, department historian; Tonie Leist, treasurer; Matalan Auxiliary No. 2068; Myrtle Bock, treasurer, Leslie Garat Auxiliary No. 3659; Elder John Johnson, president, Old Glory Post Auxiliary; Mrs. Johnson, senior vice-president of Old Glory Auxiliary.

Not to be forgotten was the first meeting of the Sewing club, held March 15 at the home of Gladys Holt, 114 Garden lane. Several projects were discussed; and it was agreed the next meeting will be held at the home of Mary Attebery, 1511 Nimitz drive. The meeting will be April 28 at 2 p. m.

And, welcome Mrs. Rose Fisher. Mrs. Fisher is a transfer from the Old Glory Auxiliary.

School Board And Planning Commission To Work Out Connecting Street Problem

Still undecided today is where, when, and if, a connecting street will be put in between Broadmoor and Westlake.

The Jefferson elementary school board discussed the situation last Thursday night, and agreed to meet at some future date with the county planning commission to seek a solution to the problem. James Snell, superintendent of schools, said he would attempt to arrange the meeting for Thursday, April 6.

During the course of the Thursday night discussion, several residents of Broadmoor voiced their opinions of the connecting street. However, from the 15 to 20 people present it was difficult to decide whether or not the people in the area favor such a street.

Mike Callan, board member, has come out against the road, as he believes it will constitute a "traffic menace."

One group present, proposed that a street be put in, but somewhere north of Maddux drive, a route which has never been considered.

Other interested parties in Broadmoor are allegedly petition-

ing the planning commission for some kind of action. The nature of these petitions could not be learned at this time.

Earlier, the commission said it will not abandon White street, until some alternate route is found. As White street cuts directly through property to be used for a new Garden Village upper grade school, the board must either find a new site, or go along with the planning commission.

Routes proposed to date include: one, 300 feet west of White street, to run to the edge of the proposed Westlake shopping center, thence east and north to the intersection of Highway No. 1 and Skyline boulevard; another, up White street to the edge of the school property, swing west around the land, thence to Highway No. 1; and, several other routes in the general vicinity of White street.

The planning commission has endorsed the first route as the best possible plan.

Another plan to run a street almost through the new Garden Village property has been temporarily abandoned, because the state and local residents have turned thumbs down on the project.

Garden Village Assn. Annual Meet, April 17th

Garden Village residents were asked today to put a red circle around April 17, the day of the Garden Village Property Owners Association annual meeting.

As yet no time or place has been set for the all important convocation, but this will be announced in a later issue of the Daily City Record.

Principal object of the annual meeting is to elect new officers to the board of directors. This year three of the nine board members are up for re-election. However, only one, Val Olson, has indicated that he will seek the same position next year. The other two incumbent members, George Irvine and B. W. Davis, have stated they will not run.

As yet no other candidates have announced they will seek the board positions.

Local attorney Thomas L. Bocci Jr., associated with John J. Fahey Jr. as a law partner, just recently filed his nomination papers with the county clerk and is now officially a candidate for the office of justice of the peace, this coming June 6 at the primary election.

Bocci reports that he has received many offers of help in his campaign both from women groups and fraternal orders.

Bocci's nomination papers were signed by a great many influential persons in the northern county: Judge John J. Fahey Jr., Mayor Paul Green of Daly City, Councilman Fred Bertetta of Daly City, Councilman Edward Mooney of Daly City, Councilman Emelio Cortesi of South San Francisco, Councilman Victor Boido of South San Francisco, City Attorney Frank Blum, School Trustee Helen Cheatham.

Also by the following businessmen of Daly City: Joseph Garibaldi, Frank Davidson, William Kennedy, Edward Dennis.

The following businessmen from South San Francisco: George Wallace, Nello Scandri, Jay Conley, Joseph Leonard, Carl Neill, F. D. Minucciani, Leo Eserini.

The following businessmen from Sharp Park: Al Sohl, W. O. Anderson.

The following businessmen from San Bruno: Walter Raiter, Fred Volkman, E. B. Flynn Sr.

And in addition the following named persons: Louis Terry, Arley King, Mrs. Maurice Oliva, Mrs. Virgil Ringue.

Bocci promises an active campaign and bases his platform on the efficient and businesslike operation of the office of justice of the peace keeping in mind the honesty and integrity imparted to the of-

fic by Judge John J. Fahey Jr.

Broadmoor Church Plans Full Week Of Easter Services

Observing Palm Sunday and Easter the Broadmoor Community Presbyterian church has planned various services for the next two weeks.

This Sunday, Palm Sunday, the highlight of the day will be the 4 p. m. baptismal service for children. Those wishing to have their children baptised are asked to contact the Rev. John Glasse sometime before Sunday.

As usual, there will be Sunday school at 9:45 and morning worship at 11:15 a. m.

Sacrament of Baptism will be conducted for several adults who have received previous instruction.

A motion picture, "Hours of Trial" is to be shown at the regular evenservice beginning at 7:30 p. m. This film depicts the Last Supper, also the trial by Pilate and scenes from the Crucifixion.

The special service has been arranged primarily for adults desiring to deepen their appreciation of Passion of Our Lord, Rev. Glasse said.

Then, at 8 p. m. Thursday, April 6, the church will administer the Sacrament of the Lord's Supper instead of having Good Friday service.

"We cordially invite all Christians to come with due appreciation of the significance of the Sacrament, and to partake with us regardless of denominational preference," Rev. Glasse said.

"This is the Lord's table, not a denominational one; and we invite all who look to Christ as Savior and Lord, and who desire to live in love, to fully enter into this blessed service with us."

Meanwhile, on Monday, April 3, from 2 to 4 p. m., the Junior Department of the Sunday school will present a special program for the parents and friends of the children in that department, under the supervision of Mrs. J. Gordon Greig.

Also, on Monday, the Men's Fellowship and any other men interested are going to paint the inside of the chapel, beginning that evening. They will finish the job by Wednesday night, April 5.

Those wishing to help are asked to contact Rev. Glasse at PL 5-1334.

Still another event next week will be the newspaper and magazine drive conducted by the Men's Fellowship. All money from the drive is applied to the Building Fund pledge.

Bundle up your papers and magazines and call either PL 5-5358, PL 5-1334 or PL 5-3218, and a man will pick up the paper.

Watch the Record next week, for then the full Easter program of the church will be published.

The affair was the gathering of the De Soto Dealer Association of Northern California, and was held in San Francisco's Mark Hopkins Hotel.

Donahue bases his predictions upon the facts that there now is 40 per cent more purchasing power available for "discretionary" spending than there was pre-war, greatly increased factory production facilities and the aggressive sales and advertising policies dealers are inaugurating.

Mount Katahdin rises to an elevation of 5278 feet in the State of Maine and is the first spot in the nation to see the rising sun.

He was rushed to Junipero Serra hospital for treatment, and to St. Francis hospital, where he is recovering today.

Authorities could give no reason why the horse should have attacked Thomas.

Local attorney Thomas L. Bocci Jr., associated with John J. Fahey Jr. as a law partner, just recently filed his nomination papers with the county clerk and is now officially a candidate for the office of justice of the peace, this coming June 6 at the primary election.

Bocci reports that he has received many offers of help in his campaign both from women groups and fraternal orders.

Bocci's nomination papers were signed by a great many influential persons in the northern county: Judge John J. Fahey Jr., Mayor Paul Green of Daly City, Councilman Fred Bertetta of Daly City, Councilman Edward Mooney of Daly City, Councilman Emelio Cortesi of South San Francisco, Councilman Victor Boido of South San Francisco, City Attorney Frank Blum, School Trustee Helen Cheatham.

Also by the following businessmen of Daly City: Joseph Garibaldi, Frank Davidson, William Kennedy, Edward Dennis.

The following businessmen from South San Francisco: George Wallace, Nello Scandri, Jay Conley, Joseph Leonard, Carl Neill, F. D. Minucciani, Leo Eserini.

The following businessmen from Sharp Park: Al Sohl, W. O. Anderson.

The following businessmen from San Bruno: Walter Raiter, Fred Volkman, E. B. Flynn Sr.

And in addition the following named persons: Louis Terry, Arley King, Mrs. Maurice Oliva, Mrs. Virgil Ringue.

Bocci promises an active campaign and bases his platform on the efficient and businesslike operation of the office of justice of the peace keeping in mind the honesty and integrity imparted to the of-

Broadmoor Cub Pack No. 84 Plans For North County Cubarete April 23

Colma Man Faces Bookie Charge

Charged with bookmaking today is Nick Ciardella, 7469 Mission, owner of a cigar store at 7 South Pedro road, Colma.

Ciardella was arrested in a raid by the district attorney's office Tuesday.

Actually Attorney's Investigator Frank Marlowe and Deputy Sheriff Del Creeks had first gone to the shop to make a routine investigation, preliminary to renewal of a card game license. While looking over the shop they allegedly found the betting paraphernalia.

Scratch sheets, slips for bets and \$54 was allegedly found behind a nine-foot partition, Marlowe said.

No date has yet been set for arraignment, or the preliminary hearing. Ciardella is out on \$500 bail.

VFW Installation Coming April 14

A joint installation of officers of the Lake Merced VFW Post and Auxiliary No. 9921 will be held April 14 at the Colma Community center.

The public is invited to the impressive ceremonial, which has received plaudits from many organizations. Installing officers will be Robert Murray, assistant chief of staff of department of California, VFW.

Watch for further announcements of the coming installation activities.

Meanwhile, the annual VFW dance, May 13, is the chief item on the Post's agenda. Latest development this week is the announcement that a specialty number is to be presented by a well-known San Francisco singer. The name of the song bird will be released at a later date.

Tickets for the dance may be purchased from any of the members. All profits are to be used for veterans in hospitals.

Donahue Says Auto Sales To Boom

John Donahue, of James E. Donahue, Daly City De Soto-Plymouth dealer, has returned from a meeting of automobile men from the central and northern part of the State and is of the firm conviction that auto sales will continue to boom throughout the present year.

The affair was the gathering of the De Soto Dealer Association of Northern California, and was held in San Francisco's Mark Hopkins Hotel.

Donahue bases his predictions upon the facts that there now is 40 per cent more purchasing power available for "discretionary" spending than there was pre-war, greatly increased factory production facilities and the aggressive sales and advertising policies dealers are inaugurating.

Mount Katahdin rises to an elevation of 5278 feet in the State of Maine and is the first spot in the nation to see the rising sun.

He was rushed to Junipero Serra hospital for treatment, and to St. Francis hospital, where he is recovering today.

Authorities could give no reason why the horse should have attacked Thomas.

Giving most of their time these days to work on the North District Annual "Cubarete" are members of Broadmoor Cub Pack No. 84.

The boys are busy making plans for a comic strip sideshow, their chief contribution to the "Cubarete," which will be held April 23, 2:30 p. m. at San Bruno park.

In addition, they are working out various games of skill to entertain and profit those who take part in the event.

The "Cubarete" affords a get-together for all of the 700 and more Cub scouts in northern San Mateo county. It also gives parents an opportunity to see the work done by the various cub dens throughout the year.

While the "Cubarete" will be of particular interest to parents, the public also is invited to attend.

Meanwhile, at their regular meeting last Thursday evening, the cubs were awarded badges and pins for recent work in the Pack.

Awards were given the following members: Den 1—Jim Kinner, wolf badge; Lee Chessman, bear badge; Den 2—William Teeter, bobcat pin; Richard Tomlinson, bobcat and bear; Richard Schweitzer, wolf and bear badges; Gary Cowden, bear; Garry Huston, Richard Drake, bear badges; Den 3—Don Brandstetter, wolf; Den 4—David Nurse, bobcat.

Broadmoor Keglers Lose To San Mateo Bowling Team

Although they didn't finish in the win, members of the Broadmoor American Legion Post No. 824 will never forget this year's bowling league.

The Post entered keglers in the Twenty-Sixth District Legion Bowling league, which saw San Mateo No. 2 team crowned champion.

During the last week of play, the Broadmoor No. 2 team lost out to the San Mateo winners by dropping three games. Ben Marcovich was the star for Mateo, racking up a score of 558 series.

Other results saw Broadmoor No. 3 team defeat San Bruno two to one, with Sam Marconi starring with 533.

Adobe trounced Broadmoor No. 1 three to zero. John Hedges was high with 508.

In other games, Burlingame defeated South San Francisco two to one, John Marshall high with 477; San Mateo No. 1 defeated Brisbane two to one, Mac Harlan high with 546.

The champs, San Mateo No. 2, will be crowned at a banquet in Redwood City April 15. Also, the San Mateo No. 1 team will be honored as Palo Alto Veterans Hospital champs on the same night, a title they won on February 19 of this year.

Folk Dancing Coming Soon To Broadmoor

Interested in folk dancing? Then don't miss this opportunity. The Lake Merced VFW Post No. 9921 is planning to bring a dance instructor to Broadmoor. The instructor will teach interested dancers all the latest steps.

Anyone wishing to take part in the folk dancing is asked to contact Jack Kelleher at PL 5-2949.

"Record" Reminiscence

From the "Record" 10 Years Ago March 27, 1940

By an overwhelming 2 to 1 vote, Daly City residents vetoed the proposed construction of a new community center building here, according to results of a post card survey made public today.

Daly City, Colma and Lawndale contributed more than \$600 this year to the twenty-third roll call of the San Mateo county chapter, American Red Cross.

Jefferson started off their varsity baseball schedule Monday, when they played San Mateo JC and lost 4 to 0. Roy Giusti pitched the seven-inning game, allowing six hits.

Mrs. Evelyn Weckerle, 130 Vista Grande, announced today the Court will be hosts at a joint San Francisco - San Mateo installation banquet, Sunday.

Present at the meeting of the General Pershing PTA sewing club Monday at the home of Mrs. Ida C. Marquis were Mesdames Getha Mejia, Sadie Welsh, Caroline Conroy, Ella Kelley, Eva Carnevale, Ruth Leepin, Amelia Sino, Alyce Reynor and Ann Lucas.

Mrs. Stanley Gives Miss Shives Wedding Shower

Mrs. Milan Stanley, 343 Citrus avenue, and her mother, Mrs. E. J. Sturdevant, San Francisco, acted as co-hostesses at a wedding shower for Miss Joanne Shives last Friday.

Miss Shives will marry the brother of Mrs. Stanley, Edward J. Sturdevant III. The wedding will take place on Easter Sunday at St. Finn Barr Catholic church in San Francisco.

White stock and blue iris decorated the table that held the lovely decorated cake and buffet lunch, while a balloon with gilt wings hung above.

Home movies were taken as Miss Shives opened her many lovely gifts. Guests present included Mesdames Hall M. Shives, Walter McGlaughlin, Lloyd Cook, Fred Cuneo, A. Amundson, B. Stanley, William Whiddon of San Francisco, and Mrs. George Yory of Colma.

Misses Betty Williams, Dawn Kidd, Barbara Jandsey, and Joyce Cushman, all of San Francisco, were also present.

Mrs. T. I. Hawken and Mrs. C. Stanley sent gifts, but were unable to attend.

Mardi Gras Coming To Daly City April 20, Via Court St. Marys

It will be Mardi Gras time in Daly City April 20, when the Court St. Marys No. 1155, CDA, holds its annual festival.

The center for the celebration is to be at Masonic Hall, 17 Hillcrest drive. The entertainment will get underway at 8 p.m.

Wasting no time, ladies of the Court are already making plans for the gala event. Mrs. Elizabeth Weckerle, general chairman, announces there will be many booths, and a wide variety of entertainment offered.

Details of the Mardi Gras are to be published from time to time in the Daly City Record. Tickets now may be purchased from Mrs. Weckerle.

The proceeds from the affair will be used by the Court for its many charitable enterprises.

Assisting Mrs. Weckerle will be Mesdames Valetta Ennis, Eleanor McDougal, Agatha Heyden, Gladys Waldon, Christine Stevenson, Marty Thiebaut, Camille Clarke, Marie Hummel, Elizabeth Wettstein, and Hermina Schroer.

Meanwhile, Mrs. Wettstein, grand regent, expressed her thanks to all those who attended the Court's recent telephone whist party, and to the women in whose homes the whist games were played: Mesdames Kafie Core, Alma Parmasini, Valetta Ennis, Gladys Waldon and Christine Stevenson.

Parents Invited To Cub Meeting

Parents of those boys interested in becoming cubs, or whose sons are already members of Cub Pack No. 62 are invited to attend the Pack's next meeting, April 10.

The meeting is to be held at 7:30 p. m. at General Pershing School. A special program has been planned to acquaint parents with the activities of the Pack.

Meanwhile, the cubs recently visited an ice hockey game at the Winterland as the guests of Walter Maills. There was plenty of pop corn and soft drinks, and the boys were treated to a fast and exciting game. The adult attendance was excellent, and they probably enjoyed the game as much as the boys.

Last week the boys also visited Seals Stadium for a Fathers and Sons night. The pack was fortunate in seeing both the San Francisco Shamrocks and Seals win their games.

Joe L. Leonetti, 132 Moltke, this week took over the job of assistant cashier and lending officer at the Bayview Bank of America. Leonetti has held the same position with the Daly City branch of the Bank of America for the past nine years. This is by way of a promotion for the Daly City man as the Bayview branch is a good deal larger than the Bank of America in this vicinity.

Mr. and Mrs. Gisberto Fontana, 143 Citrus, are making plans today for a four-month visit to Italy. The Fontanas will be leaving Daly City May 30 and returning the latter part of September. Accompanying them will be their son Gilbert, 14, and daughter Olivia, 6. This will be Mrs. Fontana's first trip to her native country since she left there 16 years ago. The Fontanas will visit with relatives in Modena, Italy.

Mrs. Dora Black, member of Ladies Auxiliary No. 1848, FOE, was quite a surprised mother recently when her son presented her with a trip to Atlanta, Georgia, for a birthday present. Mrs. Black is leaving Thursday on the City of San Francisco to visit her sisters, two of whom she has not seen for 15 years. One of these sisters, Mrs. Mae Kite, is celebrating her 50th wedding anniversary April 2. Mrs. Black plans to visit a brother who lives in Florida and a sister in North Carolina. She will return in May.

Legion Holds Birthday Party

Past commanders of American Legion Post No. 410 and Auxiliary were honored Saturday, March 17, at the organization's eighteenth birthday party.

Emil G. Pahlka was master of ceremonies, and fitted right in, as he is also a past commander.

Honored guests were Mr. and Mrs. Paul Green.

"I, as commander, in behalf of the post want to thank all the ladies who worked on the committee for their splendid work," Pete Bordson said.

Angelina Mohoad, who is not a member, deserves the praise of those present for her help in serving the dinner, Bordson added.

Tables for the occasion were decorated in the St. Patrick's motif.

S. F. Bethels To Visit D. C. Unit

Highlight of the next meeting of Bethel No. 198, OJD, will be "Visiting Bethels Night."

The Bethel will meet April 7, 7:30 p.m., at Masonic Hall, 17 Hillcrest drive.

Guests for the evening will be the officers and choir of Bethel No. 26, 51, and 183, all from San Francisco. The members will join with the young ladies of Bethel 198 in conducting the meeting.

Also, paying her official visit that evening will be Mrs. Evelyn Finley, grand guardian.

Mrs. Keene To Spend Summer With Mother

Mrs. Dallas Keene, 98 Vista Grande, and her son James left last week for LaPorte, Indiana.

Friends of Mrs. Keene will not see her again until after the summer, as she plans to spend the coming months with her mother, Mrs. C. H. Parker.

Mrs. Parker, who has been here for the past week, will return to LaPorte with Mrs. Keene.

Stephen Patrick Green, month-old son of Mr. and Mrs. Paul Green, is to be baptized at Our Lady of Perpetual Help Church this Sunday. Father William Stewart will baptize the baby boy. Mayor Green invites all friends of the family to be present at the event.

Frank W. Shreve, 172 Miriam street, was recently graduated from the naval aviation machinist's mate school at the naval technical training center, Memphis, Tennessee. He has since been transferred to fleet aircraft service squadron No. 3 at Norfolk, Virginia. Shreve entered the naval service May 31, 1949, and received his recruit training at the naval training center, San Diego.

Mrs. Carl Potter, 220 Hillside boulevard, recently returned home from St. Francis Hospital where she underwent a major operation. Mrs. Potter's daughter and son-in-law, Mr. and Mrs. Archie Rozzi, and grandson Michael are staying with Mrs. Potter for a few weeks. Mr. and Mrs. Rozzi reside in South San Francisco.

Mrs. Marion McKaskle, 158 E. Vista avenue, gave a luncheon and petit house warming for the ladies of city hall Tuesday. Present at the luncheon were Dolie Boggio, Evelyn Cahn and Marcie Trier (librarian, who draws her salary from the hall). The senior clerk of the water department recently moved into the new abode from her old home at 315 Wellington. Although not present for the house warming, the other half of the family, Sgt. Olan McKaskle, U. S. Marines, is reported to approve of the larger dwelling.

Mrs. Amelia Baciocca, Collins avenue, Colma, was the victim of a bike accident last Friday. Mrs. Baciocca was walking near OLPH school on Wellington when Phillip Delucchi, 241 Oliver, allegedly ran into her with his bike, police report. The force of the "collision" drove Mrs. Baciocca against a parked car. She was taken to Junipero Serra hospital and treated for minor head and arm injuries.

Whole Wheat for Cattle
 Whole wheat, which is to be coarsely ground or cracked before feeding, is worth about as much, pound for pound, as shelled corn for feeding beef cattle.

New Officers Elected To VFW Auxiliary, Post

Installation of new officers for the Old Glory Auxiliary No. 2044, VFW, and the Post, is to be held at Masonic Hall, 17 Hillcrest drive, April 28.

The officers for the two veteran organizations were elected at recent meetings of the groups. The officials will hold office for 1950-51.

Elected to head the Post are: Thomas J. Callan Jr., commander; Franklin N. senior vice-commander; Al Kashaba Jr., vice-commander; Charles Mashnot, chaplain; R. F. Brulez, quartermaster; Robert Schneider, adjutant; Clifford Willey, judge advocate; J. Attenasia, post surgeon; H. Krulthof, service officer, and A. Albertus, officer of the day.

The following are the newly-elected officers to the Auxiliary: Eleanor Cochran, junior past president; Marjorie Johnson, president; Shirley Walker, senior vice-president; Marie Miller, junior vice-president; Bonnie Ellenwood, chaplain; Clara Poket, treasurer; Ethel Dorn, recreation secretary; Myra Heffron, conductress; Catherine McKoon, guard; Ruth Brulez, patriotic instructor; Mary Conti, banner bearer; Elizabeth Sorensen, flag bearer; Evelyn Smith, historian, and Ruth Brulez, three-year trustee.

The following women are on various committees and groups: color guard, Eleanor Cochran, Lorraine Schneider, Alice Ehmpke, Florence Kashaba; delegates to San Mateo - Santa Clara county council, Eleanor Cochran, Marjorie Johnson, Lorraine Schneider, Clara Poket.

Delegates to Twelfth District: Eleanor Cochran, Bonnie Ellenwood, Ruth Brulez, Marie Miller, Myra Heffron; delegates to department, Eleanor Cochran, Bonnie Ellenwood and Marjorie Johnson.

Mrs. Schmidt To Retire As PTA President

Mrs. Erwin Schmidt, president of the Crocker PTA, today extended her thanks to all the officers, teachers and members for their cooperation over the past year.

Mrs. Schmidt has been a member of the PTA since 1933, when she first joined General Pershing. During the time her daughter was going there to school, she gave one day a week to help in the PTA's cafeteria, which was such a wonderful project for the children during the cold rainy weather. She also held many chairmanships, and took a very active part in the PTA affairs.

When her daughter was promoted to Crocker school, she followed her, by joining the Crocker PTA, and since then has held the following chairmanships: membership, program, publicity, and life membership as well as being vice-president for two years.

This has been a very busy year, and has gone by fast as there has been so much activity. Mrs. Schmidt has been very fortunate to have her husband assist her many times during the past year. Besides attending several meetings he has taken movies of the May Day festival and of an assembly at Crocker school, which are memories of Mrs. Schmidt's year as president.

During this year we have had an increase in membership; an increase in attendance at our meetings; gave the school a radio, a caliphone recording machine and microphone; gave three life memberships; gave a wonderful teachers tea and reception; gave a very successful graduation luncheon to the class graduating.

Mrs. Schmidt decorated the bulletin board each month in the hall of Crocker school.

The PTA assisted the community chest drive by donating money and helpers to collect. The same was done for the Red Cross, and the fund for crippled children, as well as TB patients.

Some of our members assisted our Jefferson District nurse, Miss Grass, whenever called upon. We also helped assist at all activities the Daly City recreation had for our children.

The installation of officers is to take place April 18, at noon. Mrs. Schmidt is the chairman. The executive board meeting was well attended. Mrs. Everhobbs assisted.

SOCIETY

12 New Members Join Boy Scout Troop No. 249

Twelve new members were added to the roster of Troop 249, Boy Scouts of America, at a meeting Thursday night at Bellevue Hall.

Boys advancing from novice to the rank of Tenderfoot Scout were Philip Delucchi, Michael Dotterweich, Charles Derham, Billy Gensel, Donald Kent, Fred Newton, Hermann Pelz, Donald Parshall, Arthur Sutter, Bob Templin, Michael Traxler, and Orin Wakefield.

Parents of the boys who attended the meeting were honored by the presentation of miniature replicas of the boys' badges. As the scouts advance in rank their parents advance with them and are allowed to wear the small replicas of whatever rank the scout has achieved.

Sales of tickets for the Scout Exposition which will be held in the Cow Palace were discussed and honor neckerchief slides were awarded to Hermann Pelz and Donald Parshall as the outstanding ticket salesman in the group.

With one week of selling time gone Troop 249 has already exceeded its quota of sales and the members have set their sights on two hundred per cent of their quota as a final goal. If achieved, this goal would make Troop 249 one of the outstanding sales groups in the San Francisco area.

Lost A Bike? See Your Daly City Police
 Has your child lost a blue tri-cycle?

Chances are it can be recovered at the Daly City police station. Officers report taking in such a bike Tuesday, March 21.

The machine was found in front of the Jefferson High school gym, where Coach Glenn South reports it had been for four days.

Vets Education Program To End For Most In '51

Veterans who have been saving up all or part of their entitlement to education or training under the GI Bill of Rights, or who are planning to use both Federal and State educational assistance to reach their training goal are advised by Floyd D. Granger, Veterans Service Officer, not to delay any longer about putting their plans in order.

For veterans discharged before July 25, 1947, the great majority, the deadline for starting training under the GI Bill is July 25, 1951. While this may seem still far in the future, Granger pointed out that unless an educational program is carefully planned in advance a veteran may find that regulations will operate to prevent his getting the full benefits to which he is entitled.

For example, according to Granger, the Veterans Administration is expected to issue in the near future a regulation which will define and limit the use of a veteran may make of his GI Bill educational rights after July, 1951.

For another, the approach of the deadline means that those veterans who want to use both GI Bill and State educational assistance should start now to plan their studies so that they will get the maximum benefit from each.

Information about both types of educational assistance is available to interested veterans at the Veterans Service Office, Courthouse, Redwood City.

Community Bldg. Model Available

A full scale model of the new War Memorial building will soon be available for display before various organizations and groups in the community.

Mayor Paul Green reports the scale model will be ready after this Saturday. All those wishing to see it, or use it at their meetings, are asked to contact the mayor at JU 7-0850.

Meanwhile, Architect Mario Ciampi says he has almost completed plans for the building. Mayor Green asserted that as soon as he has the plans, bids will be called for the job.

Gen. Pershing PTA To Install Officers April 4

The new officers for General Pershing PTA will be installed at a dinner April 4 at the school.

The new officers to be installed are: Mrs. Arthur Lauffenburger, president; Mrs. R. F. Traxler, vice-president; Miss Winifred McGrath, honorary vice-president; Mrs. Lyle Ingersoll, treasurer; Mrs. A. S. White, recording secretary; Mrs. M. J. Cook, corresponding secretary; Mrs. Frank Priscoe, financial secretary; Mrs. James Jordan, auditor; Mrs. Raymond Gross, historian, and Mrs. George Freeland, parliamentarian.

All members of General Pershing PTA are welcome to attend the dinner, which will be held in the evening to accommodate as many fathers who care to come.

Children are welcome too, so this will be a good chance for all the family to relax and enjoy a good dinner together. The menu will consist of chicken turnovers, carrots and peas, mashed potatoes, tossed green salad, home made cake, and jello.

Mrs. George Freeland, out-going president, has invited the executive board to participate in a pot-luck lunch at her house Thursday, March 30, in connection with the board meeting. Each member of the board is to bring her favorite dish.

With all these favorite dishes served up, this luncheon should really be something. It will be a sort of farewell to the old board, as this will be its last meeting.

Passover Service At Church Sunday

Passover services are to be held this Sunday, beginning at 8 a.m., at the Congregation B'Nai Israel, 67 Los Banos.

Donald Cahen will deliver the sermon, and the public is cordially invited to attend.

Following the regular Sunday service, the children of the Sunday school will put on a mock Seder. This will be under the supervision of Sanford Taneowsky.

Group Moves For SM County Industry Survey

A reactivation of the San Mateo Chamber of Commerce to encourage county industrial development will be proposed to the board of supervisors sometime this month.

The proposal is to be made by officials of 16 cities, including Daly City, who recently have been working for an industrial survey of San Mateo county.

Mayor Leo Ferko, South San Francisco, was the originator of the plan, and was voted temporary chairman of the new organization at a special meeting last week.

Tentative name of the new organization to promote the chamber of commerce is the San Mateo County Industrial Development Commission.

Principal aim of the group will be to gather information on potential industrial sites in this county and disseminate the information throughout the nation.

Juvenile Delinquency Articles To Appear

Beginning next week Tom Bocci, Daly City attorney and candidate for the South San Francisco judgeship, will write a series of articles on juvenile delinquency for the Daly City Record.

The three articles will appear each week, beginning with one entitled "Juvenile Delinquency and the Parent." The other two will be "Juvenile Delinquency and the Community."

Bocci has written these articles in the hope parents and residents will become more aware of the acute need for a Boys Club in this community.

Miss Andrich Honored Guest At Bridal Shower

Honoring the bride-to-be at a pre-nuptial shower Friday, March 17, friends of Miss Barbara Andrich gathered at the home of Mrs. LaVerne Costanzo, 97 Vale street.

Miss Andrich, daughter of Mr. and Mrs. Frank Andrich, Corte Madera, is to wed Fred Busher, also of Corte Madera, April 16 at St. Patrick's Church in Larkspur.

When she sat down at the bridal table, Miss Andrich was treated to a site of a miniature wedding. Using dolls and a large, white cake, Mrs. Costanzo gave Miss Andrich a view in miniature of things to come.

Beside her daughter at the table was Mrs. Andrich.

Other guests included Miss Judith Merlo and Miss Gertrude Gleason, both of Daly City, Mesdames Eva Aiello, May Charette, Ethel Terramorse, Esther Charette, Evelyn Merlo and Eleanor Tierney, all of Daly City, Mesdames Gladys Kipke, Dorothy Quarello and Rita Ferguson of Oakland.

Daffodils and blue iris decorated the room and table.

Pre-Easter Baked Food Sale April 8

A pre-Easter baked food sale is to be held Saturday, April 8, at the Colonial Gift Shop, 6272 Mission, by ladies of the Grace Presbyterian church.

Among the many items up for sale will be home made potato salad, cream puffs, fried chicken, pie, cake, cookies, and breads.

Feature of the sale will be special Easter eggs and novelties, including Easter cakes.

The sale gets underway at 9:30 a.m., and all residents are invited to drop in and purchase some item. Money from the event is to be used towards building a new church. Mrs. A. E. Stiert is chairman of the sale.

Baby Daughter Downs Key To Suitcase

Looking for a new suitcase look today are Mr. and Mrs. Fliegler, 40 Peoria street.

They have a perfectly good lock on the suitcase now, but they've lost the key.

And who has the key? None other than daughter Gale, 19 months old. Gale swallowed the key at 9:50 a.m. Saturday, March 17.

She was treated at Junipero Serra hospital, and officials there report she is none the worse for the incident today.

Easter Seal Campaign Lags

The 1950 Easter Seal campaign to raise funds for San Mateo County's crippled children is to date lagging far behind, according to a report issued this week by Mrs. Cyril R. Tobin, campaign director.

Mrs. Tobin said that many county residents who have not mailed in their gifts for Easter Seals may be reminded of the urgency of this year's crippled children's drive by the approach of the Easter holiday period.

"We earnestly hope," Mrs. Tobin said, "that in the next two weeks previous to Easter, local citizens who have received the 100 seals mailed to them by the society several weeks ago, will take a few minutes to mail their check or dollar."

Mrs. Tobin further stated that the success or failure of the 1950-51 program to help stricken children is now entirely in the hands of county residents. She pointed out that unless immediate response to the current Easter Seal drive is forthcoming, next year's aid to crippled children is threatened with a serious cutback for lack of funds.

Automatic Fuel
 Gas is the most completely automatic fuel. Gas heating units require no attention from the owner from season's beginning to season's ending. They do, however, require at least an annual servicing by an experienced heating contractor.

FOE Auxiliary Official Visits Daly City Group

Entertaining Junior Past State President Irene Prinzelow of the FOE Auxiliary last Tuesday were members of Auxiliary No. 1848.

Mrs. Prinzelow gave an interesting talk on the work of the various auxiliaries, and complimented the officers on their work and program in Daly City.

The program chairman reported the White Elephant sale a grand success, and thanked all those who helped.

The chairman of the bowling team, Alberta Diebel, asked all those interested in joining the team to contact her as the new league is starting soon.

Sewing fans will be interested to know that the next meeting of the Sewing Club will be held April 3 at the home of Ellen Bray, 220 Los Olivos.

Meanwhile, the last teenage dance was reported as a success, with 74 teen-agers attending.

The Eagles band has now split into two units, giving the teenagers their own special band.

The next dance will be guest night and will be held April 8 from 7:30 to 10:30. More in next week's Record.

Church Announces Sunday Services

Two services will be conducted at Bethel Lutheran Church, Alemany boulevard and Huron avenue, next Sunday.

The first service will begin at 8 a.m. The Rev. Herbert P. Schroeder will preach on the subject: "The Lord Still Comes."

The solemn Rite of Confirmation will be observed in the second service, beginning at 10:45 o'clock. Nine young people will vow their faithfulness to Christ and His Church. The following members will be confirmed: Patricia Austin, Joan Engel, Katherine Golob, Robert Matheisl, Marilyn Meyer, Richard Monismith, Robert Randig, Walter Rathjen, Katherine Thompson.

Special music will be presented by the children's and adult choirs, under the direction of Mrs. Ruth Petersen.

The nursery will be available for both services.

Palm Sunday To Be Observed

Special Palm Sunday services are to be held this Sunday at the Grace Presbyterian Church, Hanover and Evergreen.

At the morning service, which begins at 11 a.m., the church choir, under the direction of Miss Marian Walker, will sing "Ride on in Majesty."

The Rev. William Harberts will bring a special message to those gathered for the services.

Then, at 7:30 p.m., a film on the "Hour of Trial" will be shown. This will be in preparation for the Good Friday candlelight communion service.

Meanwhile, Rev. Harberts reports a new experience in connection with the gathering of the Building Fund banks last Monday evening.

After all the money had been brought forward, the large container was brim full of coins and greenpapers. Enthusiasm ran high at the church, as the new building seemed closer to reality.

Auxiliary Members Visit Vet Hospital

Members of Old Glory Post No. 2044, VFW Auxiliary, Tuesday paid a visit to the veterans hospital in Palo Alto.

Object of their trip was to take some equipment to the patients. This equipment consisted of used radios, and other material which may be rebuilt by the veterans.

On the trip were members Ethel Dorn, Rose Fisher, Bonny Ellenwood, Marjorie Johnson and Clara Poket.

Mrs. Tobin further stated that the success or failure of the 1950-51 program to help stricken children is now entirely in the hands of county residents. She pointed out that unless immediate response to the current Easter Seal drive is forthcoming, next year's aid to crippled children is threatened with a serious cutback for lack of funds.

Automatic Fuel
 Gas is the most completely automatic fuel. Gas heating units require no attention from the owner from season's beginning to season's ending. They do, however, require at least an annual servicing by an experienced heating contractor.

Girl Scout Scoops

By Jane Keith

Hello Scouts and don't think your writing efforts have been mislaid or forgotten by the columnist!

They are just waiting for space which will be available when Mrs. Hickey finishes telling us how much fun and information she is getting from the Girl Scout Leadership Course. Meantime, keep writing about doings in your various troops and get them handed in to me.

My address is 118 East Vista avenue and the telephone number is JU 7-3576. Don't hesitate to come or call anytime!

COURSE ON LEADERSHIP

Upon arriving at the Orange Avenue Recreation Center in South San Francisco with our fellow riders from Daly City for our second lesson in leadership for Girl Scouts, we felt much more at home and eager to continue our learning of the Girl Scout organization itself.

Our morning began with a review of songs learned last week and our ability to sing them was greatly improved. Miss Passoneau, our director, began the day's lesson by advising us to start getting girls for our troops by first reaching their mothers, since it is the parents' business to know exactly what goes on in Girl Scouting.

Fathers are in demand also and Miss Passoneau cited the case of one father who had become an integral part of one excellently functioning troop. The importance of the troop committee was stressed. Actually our director's picture of a well-functioning troop committee showed us how the necessary work to be done in each troop can be divided and assigned to various members so as not to place too heavy a burden on any individual member.

BADGES ON MERIT ONLY

The next subject under discussion involved the earning of badges. The importance of earning just one badge and knowing the subject thoroughly versus giving badges indiscriminately was pointed out to us. The acquiring of badges should not be competitive.

An outline of the ranks in Girl Scouting was presented beginning with Tenderfoot, progressing to Second Class, First Class and finally to the coveted Curved Bar, a very enviable but difficult status to acquire. Those reaching the Curved Bar are eligible to the honor of Golden Eagle Scout. Only one scout can obtain that rank in a troop.

At this point in the procession we were asked to gather in the center of the room for a lesson in folk dancing. The number chosen was a Polish folk dance, Varsovianna

GAGGERO - GREEN - KENNEDY STATEMENT TO THE VOTERS

The Gaggero - Green - Kennedy slate of council candidates this week continued to advance their constructive program of improvements as the principal reason for their election at the April 11th city election. Gaggero and Green are incumbents. Jim Kennedy is a hometown boy who has taken an active part in community events.

At the outset of their campaign the trio listed a number of projects that are now underway. These projects were initiated by the council majority led by Mayor Paul Green and Councilman A. J. Gaggero.

SOME WORK STARTS SOON

Mayor Paul Green stated, "We have continued to push these projects despite the rigors of a city election. We fully realize the importance of these projects and will continue their progress. Public support will condone our efforts at the polls on April 11th."

The progress referred to by Mayor Green includes:

1. Calling for bids on improvement of Marchbanks Park.

2. Calling for bids for development of Edgewood Park.

3. Announcement that the model of the \$295,000 Community Center would be ready for exhibit next week.

4. That money has been placed in escrow for purchase of a new park site at Frankfort and Acton.

5. Plans to construct traffic separations and signals at the corner of Mission and Market (top of the hill) this summer. The sum of \$63,000 has been allocated for this project.

6. That the P. G. & E. is now surveying the full length of Mission street for installation of mercury high-lumen lights (similar to those at the top of the hill).

While many of these projects will require several months work before they are completed some will be ready by next fall. "Continuation of the present city administration by the voters at the April election will enable early completion of this work," said Mayor Green.

GRASPING AT STRAWS

The Gaggero - Green - Kennedy statement calls attention of voters to the desperate efforts of their opposition to attempt to fool the voters.

A. J. "Tony" Gaggero said, "Their action reminds me of the drowning man grasping at straws. The opposition has tried to attribute the accomplishments of our administration to those of any good administration. I agree with them in that they are accomplishments of any GOOD administration."

"However, these are not the accomplishments of any administration they represented during their terms of office. Had they accomplished these projects we would be free to work on other improvements for the residents of Daly City. We are completing all projects as fast as can be expected and will continue to advance additional improvements in the future."

The Gaggero - Green - Kennedy statement reminds the voters that all of the work is being accomplished with a reduced tax rate. The present council lowered taxes a year ago.

KENNEDY ASKS COOPERATION

James H. "Jim" Kennedy, the third man on the Gaggero-Green-Kennedy ticket campaigning under slogan "Progress Brings Prestige" asks election on the basis that he will cooperate with the present city administration.

Kennedy directed attention to the circular circulated last week in which the voting record of Mel Battye was presented to the public.

"His (Battye's) record clearly indicates he is the tool of one of Daly City's oldest political machines. His voting record clearly indicated his devotion to his political mentor. There was nothing to indicate he is motivated by a desire to be of service to the people."

"It is too bad that Daly City's government hasn't had full cooperation of all council members. Much more could have been done in the past two years had all members of the council worked harmoniously," concluded Jim Kennedy.

Kennedy is a native of Daly City. He is presently employed as a sales manager. He has taken an active part in community affairs and was a staunch supporter of the bond issue that provided funds for Daly City's Community Center.

"Last week," continued the Gaggero - Green - Kennedy statement, "the opposition continued to express their bitterness towards Daly City's growth when they criticized the Westlake development. In two previous elections the people of Daly City have approved this outstanding housing development. It is the finest new home area of the peninsula. The opposition would continue to fight its completion if elected. They are apparently interested in stifling all progress," concluded the Gaggero-Green-Kennedy statement.

Signed:

A. J. GAGGERO
PAUL GREEN
JAMES H. KENNEDY

members have contributed nicely to the exhibit and their names will appear in the next writing of this article.

ROOM 2

The seventh graders in Room 2 have completed their study of Great Britain, Ireland, and British possessions. The classroom has been very active this past week. Eileen DeBernardi gave a splendid report on her attractive display of articles from Ireland, England, and Scotland. Gwen Anthony and Faye Orovitz have combined their talents in producing a detailed portrait of an English policeman or "Bobbie." Nancy Fricker and Beverly Grudo have drawn a picture of the famous London Tower Bridge.

Many pamphlets from travel agencies have been pouring into the class. Pupils who have been very active in writing to these travel agencies are Irene Wilson, Robert Rocchi, Judy Zacher, Frank Bortoli, Judy Graziani, and Gwen Anthony.

In the completion stage are murals made by the following: Harry Youtsey, Robert Rocchi, George Hutchings, Leon Beristano, Chester Lewis, Gary Baker, Ronald Lundak, Al Lagomarsino and Nancy Park.

H8 of Room 6 has finished the study of rt, trapezoids and will now review percentage problems. In science the study of the fahrenheit and centigrade thermometers will be the work of the week. No one knows why fahrenheit chose 212 degrees as the boiling point of water. Little did he know what trouble he was giving to the future generations of pupils who have to learn to change the reading on a fahrenheit thermometer to the comparable one on the centigrade.

The students of the sixth grade are studying about New Zealand, a country made up of islands. Robert Bailey, Waldo Benavides, Donald Craig, Larry Hight, John Jackson, Richard Marquez, Walter Rogers, Michael Rogers, and Andrew Ruelas are preparing special reports on New Zealand.

Room 5—A.M. Room 5—A.M. is studying about the Crusades in social studies. The story of the Children's Crusade is particularly interesting. Our arithmetic takes up into drawing house plans and lots to scale. We hope to be working with protractors and circles later.

BATTYE - SMITH - NENSTIEL STATEMENT TO THE VOTERS

With a four-point program, spearheaded by a plank for "restoring the government to the people," Councilman Mel Battye, Ed Nenstiel, and Hugh H. Smith Jr. today were directing their campaign for election to the city council April 11 into its closing drive. All three candidates announced widespread interest throughout the city in their candidacies and said that many volunteer workers are enlisted in the campaign.

"We believe," the candidates declared, "the most important issue of this campaign is the restoration of city government to the people, and that is the principal point in our platform, which follows."

"1. Restoration of city government to all the people."

"2. Greater economy in the spending of tax and bond monies."

"3. Better administration of all city government functions."

"4. Elimination of conditions that permit political racketeering to the disgrace of the city."

"This is the platform upon which we are asking the people of the city to elect us as their city councilmen. We can accomplish it, if the people of the city give us their support and cooperation. No council can provide good government when it has lost the confidence of the people."

"In restoring the government to the people the first thing necessary is the elimination of government by manipulation and secrecy. Next is to make all city councilmen responsible to all the people. Instead of letting one promoter control the majority of the council. The many thousands of dollars being spent in this campaign by the incumbent council majority ticket is questionable. Can they afford such an expenditure for a \$50-a-month office? If not, who then is paying the bill, and why?"

"With the cooperation of the people who pay the taxes, and those who vote the bonds we know we can do a better job of properly expending it. For instance, bonds you voted last year in amount of \$396,000 for the War Memorial and for recreational purposes have already been sold, and you are paying interest on them and the money is lying idle in the bank. Yet the present council majority has failed for two years to acquire only eight more lots to complete the Memorial site and not a spadeful

gown, called a Mumu, and some fine block-print handkerchiefs. As they are studying about the Pacific Islands, the pupils of Room 4 really appreciate seeing and touching these objects which came from the Islands."

PTA Four Crocker students presented talks at the last meeting of the Crocker PTA regarding their student body organization. These students had well-prepared talks on the growth and organization of the student government, the student body activities, and the actual working of democratic government, and student body officers who represented their school were: Jim Snell Jr., P.M. president; Alice Quickert, A.M. sergeant-at-arms; Dick Kalinin, A.M. vice-president; Joanne Meadows, P.M. sergeant-at-arms.

The Crocker library or "all-purpose room" radiated the spirit March 17, as students decorated the room for their St. Patrick's Day dance. Clovers, hats, pipes, in green, black and white gave the room a festive appearance. The arrangement committee included Carol Bertelli, Waunetta Vile, Alice Quickert, and Jerry Gioni.

An assembly of unusual prestige was held at Crocker on Wednesday, March 15, for a two-fold purpose. Of first importance was the presentation of the Lincoln Plaque to the winner, Margaret Robertson, who won first prize in the district. Honorable mention went to Sidney Warren and Bob Bridges, both of the Crocker School. Consequently both teachers and students are very proud to realize that all three awards were won by Crocker students. The second purpose of the assembly was of just as worthwhile nature, namely, the presentation of a Califfone to the school.

Many distinguished guests were presented, among whom were Arthur Bodien, superintendent of public works, who made the presentation of the Lincoln Plaque, James Snell, superintendent of schools, Hugh Falconer, general supervisor, Mrs. Helen Cheatham, Woodrow PTA president and member of the board of school trustees, Mrs. Freeland, president of Pershing PTA, Mrs. Schmidt, president of Crocker PTA, and her husband, Mrs. Ingersoll, who was the first member of the Crocker PTA to help raise funds for the Califfone, Mrs. Berg, incoming Crocker PTA president, and an unexpected guest, Fred Bertetta, city councilman.

The Califfone presentation was made by Mrs. Florence Schmidt, Crocker PTA president, and was accepted by the student body presidents, Jack Plunkett and Jim Snell Jr.

Room 3 We have started work on a book of maps of California. These maps will show the water power, fruit, vegetables, industries, etc. of our home state. We will make enlarged copies of each map for our bulletin board.

Plans for our displays for Public Schools Week are underway. We hope to have our room as attractive as possible for our parents and friends.

ROOM 6—P.M.

The children of the seventh grade in Room 6 are making a mural depicting feudal life. This mural shows how the serfs as well as the nobility lived.

In arithmetic they are beginning the study of geometric figures. They know the difference between an oblong and a square, yet realize that both are rectangles because they have square or right angles and two pair of parallel sides.

Room 1 was very happy to have Joyce Schallberg return to school after an absence of two weeks. Joyce is now minus her tonsils, however.

The area formula for squares and rectangles is rapidly becoming a part of the seventh grader's daily thinking.

Howard Klein has done some very fine work on the outlining of maps of several European countries, with James Passaricli, James Rector and Darlene Haynes supplying the India ink work.

Posters, which were drawn by Lenita Johnson, Marlene Lagelin, Carol Saumer, and Robert Bridges have been submitted for the American Legion Auxiliary contest. Arlene Trapp's drawing was to have been submitted, but due to illness she was unable to complete it before the deadline.

Room 2 Last week Willis Walton of the H5 grade transferred to a school in San Francisco. Monday the students welcomed Gary Fairchild to their class.

Room 4 Barbara Texiera, our new student from Honolulu, has just brought to Room 4 some fine examples of craft and clothing from the Hawaiian Islands.

There is an unusual hat, woven from coconut palm leaves. She has a variety of leis, made from wood fibre, crepe paper, and wood rose flowers. (A lei is a long necklace, made from flowers and other materials, and usually worn on festive occasions.)

She also brought a dancing gourd made from a coconut shell and decorated with feathers. Feather craft is one of the most beautiful Hawaiian arts. In ancient times the Hawaiian kings wore long, colored feather capes.

Other things she showed were a Chinese jacket, a long Hawaiian

GARDEN CLUB MEETING

"How To Grow Roses" -- Program At College Conclave, April 4th

By Elsie M. Garrison

The Daly City Garden Club extends an invitation to all residents interested in the beautification of their homes and gardens, to join them at the Horticultural Center of the City College (Green Room) on the night of April 4 at 8 o'clock.

It is anticipated that a good crowd will be on hand to give this enthusiastic group confidence that the people of Daly City are cognizant of the great opportunities which circumstance, climate and location afford people who reside in this area.

It has been the policy of the Daly City Garden Club to keep its members informed, both by statewide participation in the California Garden Clubs, Inc., by presenting well-versed speakers at meetings on a variety of gardening subjects, and by compiling a library of books, magazines and pamphlets available to any member for a reasonable length of time, through contacting Mrs. Howard Miguel, who keeps lists and available books on many diversified phases of gardening.

It is therefore in the same spirit that this open meeting exerts a double purpose in that it will introduce many to the Horticultural Center of the City College, a mere stone's throw away, located at San Jose avenue and Ocean (Daly City 26 line). Probably only one out of every five new citizens are aware of the Center at all, and as many again, unaware of the wealth of knowledge and the degree of participation available to adults.

Last, but far from least, who is responsible for the disgraceful publicity given Daly City by the Breslauer bookmaking racket murder. This man was run out of San Francisco, but was permitted to set up his rackets here. Why? "Wouldn't you say that Daly City very definitely needs a change in city administration? We submit that upon election to the city council it will be a five-man board working for the interests of all the people of this city."

"April 11 it will be up to you, the voters."

Signed:
HUGH H. SMITH JR.
MEL BATTYE
ED. NENSTIEL

Not only does the prescribed course take in all branches of floriculture but the classes are taken on conducted "field trips" whereby the "students" are treated firsthand to landscaping techniques, problem sites, locales of unusual growth, etc., etc.

I am reliably informed that these trips are lots of fun, as well as being educational, and that the classes are notable for their informal but objective approach. It is expected that Mr. Nelson will attend this conclave and will be glad to give any further information on this subject.

While the Center is only in its third year, it is already receiving recognition of merit, and it is suffice to say that an opportunity such as this is rare indeed.

How To Grow Roses The program slated is an exceptional one. A film of timely interest will be shown, entitled "How to Grow More Beautiful Roses," and is sponsored by the Ortho Products people. In lovely natural color, I am told it is a highly entertaining and informative film, and should find favor with the many devotees of the rose.

Norvell Gillespie will also be on hand as previously announced, and will speak and also answer any questions. Mr. Gillespie's books and articles are no doubt familiar with many, and this is indeed a rare privilege to have him available for the evening.

It is hoped that this will only be the first of such programs, and that in the future, the scope can become greater. There seems to be no limit as to the possibilities of an organized group, both in the social and recreational sense. It is a little hard to understand the "inferiority complex" that seems to plague some of our citizens into vague movements to "change our

CANDIDATE

Earl B. Whitmore

Earl B. Whitmore, a law enforcement officer of many years experience, a member of a well-known San Mateo county family, and a veteran of World War II, today announced his candidacy for sheriff.

Whitmore, 32 years of age, is, according to the group sponsoring his candidacy, qualified by education, training and experience to fill the post of sheriff with distinction. They point to his background of high personal integrity and fine character.

He is the son of Attorney and Mrs. A. S. Whitmore of Redwood City. A. S. Whitmore served as chief deputy district attorney of San Mateo county, retiring recently to resume private law practice.

The candidate is now on leave of absence from the Redwood City Police Department, where he attained the rank of sergeant, in order to study law at the Lincoln Law University, San Francisco. With his wife Meredith and three daughters he resides in Redwood City at 1622 Hampton avenue.

He has been a resident of Redwood City since he was six years of age and graduated from the Lincoln Grammar, McKinley Intermediate and Sequoia Union High schools there. He also attended Iowa State Teachers College while in the service.

In 1941 he joined the Redwood City Police Department and received thorough indoctrination in all branches of law enforcement. This training was enhanced while serving in the Army Air Force for, in addition to his regular duties, he was assigned to investigations for the provost marshal.

Receiving his honorable discharge in 1945 he returned to his law enforcement duties in Redwood City. From time to time he attended FBI sponsored schools for crime prevention and detection. His assignments have brought him into contact with all types of law enforcement problems, an experience his friends emphasize, will allow him to cope with the many problems of the sheriff's office.

Old Tree A giant sequoia tree lived to be about 1,335 years old on the west coast of the United States, according to the Encyclopedia Britannica. Part of its trunk is kept in the Natural History Museum in South Kensington London.

NEWS FROM THE SCHOOLS

JEFFERSON

The fifth grade had a musical and historical program relative to their social study unit "California." Nancy Golobic brought to class an interesting descriptive book on California. Dan Miceli reported on Mt. Shasta and Mt. Whitney. Nancy Hopper compared California's weather and scenic values with other states.

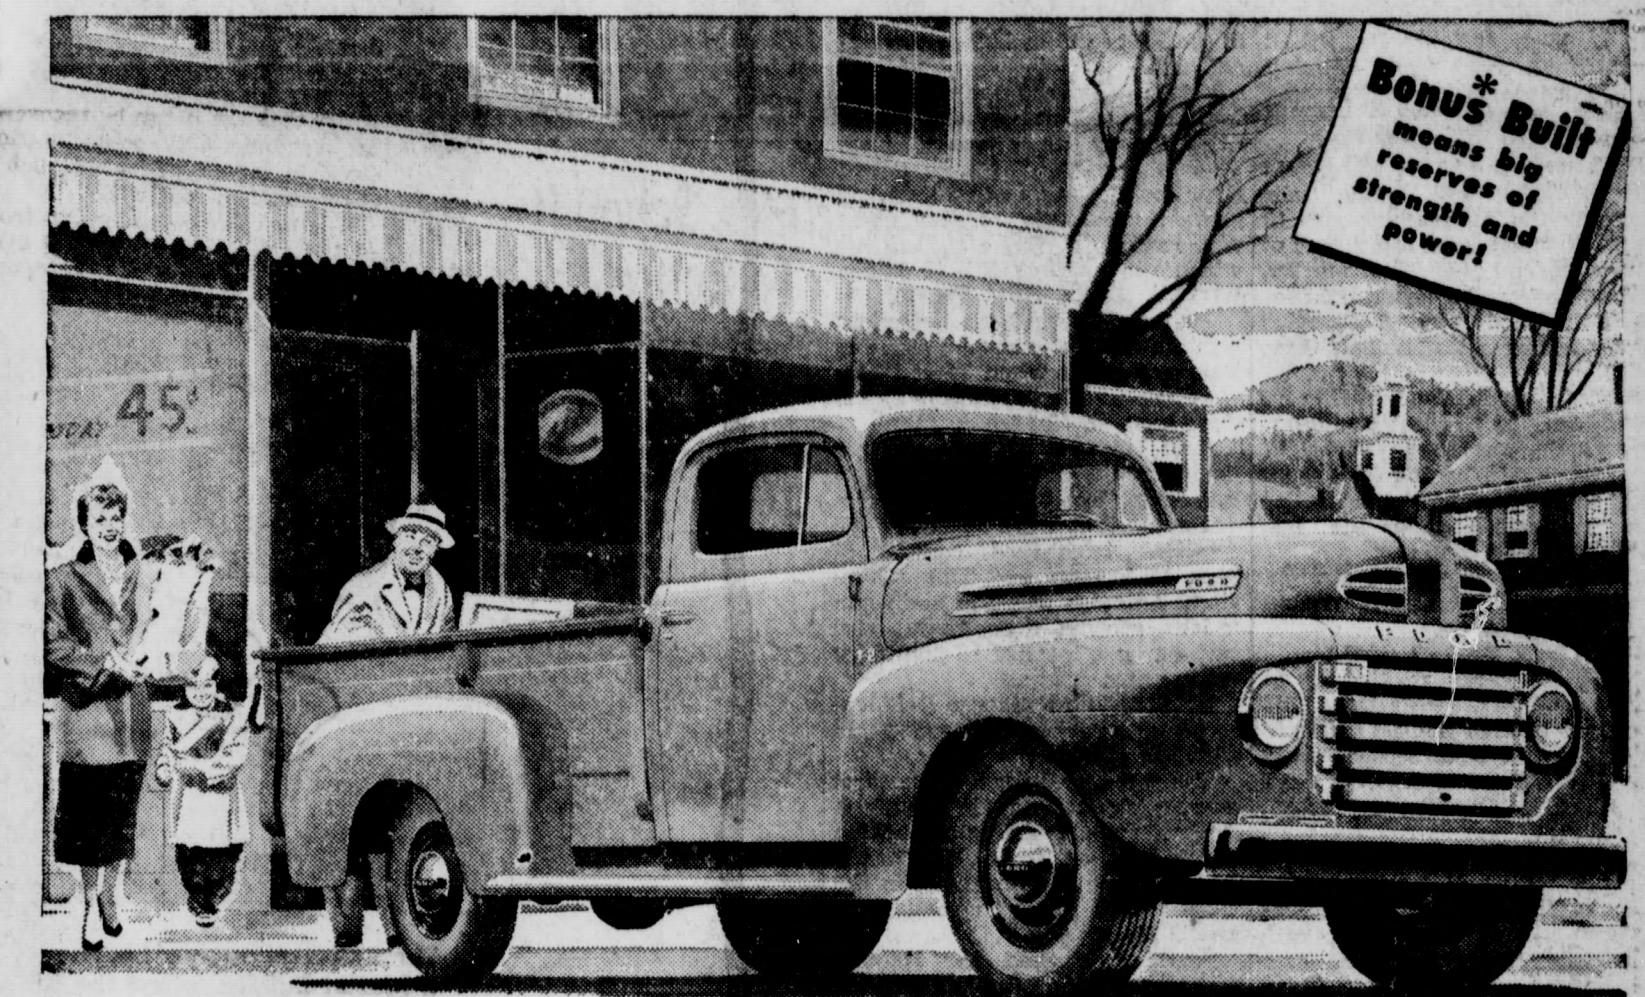

SIXTH GRADE

The sixth grade worked out a composition that told what the Pledge to the American Flag meant to them. It was preceded by a class discussion. The class spent a week on this project, and now every member has a better understanding of the background of the Pledge. They started this project during Loyalty Week.

Some of the class are looking forward to moving into the new school at Garden Village, but all are sorry to see the class divided. Everyone has enjoyed the past year together and wish each other success until they meet again.

SEVENTH GRADE

The seventh graders in room three are busy now with their studies of Italy and other Mediterranean countries. Carol Ann Bocci has brought many things of interest to class for the class exhibit of Italian articles. Carol Ann's mother sent a book cover made of leather which is very attractive, also a water jug made of copper, which, incidentally was made by Carol Ann's grandfather in Italy. Drena Guaraldi has contributed to the exhibit with a list of Italian words and their English meaning, also a beautiful piece made of ceramics and hand painted in Italy. Jerrold Bocci brought several pieces of marble which were imported here from Italy. Other

America's No. 1 Truck Value!

GIVES YOU NEW MODELS, NEW POWER, NEW FEATURES FOR 1950!

Come in and see the Ford Truck line for 1950. America's No. 1 Truck now offers you a choice of over 175 Bonus Built models and 4 great truck engines—two Sixes and the only two V-8's in trucking!

NEW MODELS like the F-3 Parcel Delivery bring the Ford Truck line up to more than 175 models—all of them built extra strong to last longer and cut costs.

NEW POWER in the thoroughly proved 110-horsepower six-cylinder Rouge 254 cubic inch truck engine. Only Ford offers you a

choice of V-8 or six-cylinder engines.

NEW FEATURES—New Synchronic Silent transmissions! New 176-in. wheelbases for F-5 and F-6! New air brakes available on the F-8! New extra heavy duty clutch with the Rouge 254! New 15' by 5' hydraulic rear brakes on the F-7! New Double Channel frame for the Big Jobs! You get these and many more new features in 1950 model Ford Trucks.

Come in today and have a look at America's No. 1 Truck—the 1950 Ford!

AMERICA'S NO. 1 TRUCK VALUE	
No. 1	In sales gains. Registration figures—last quarter 1949 compared to latest available 3 months period (Aug.-Sept.-Oct.)—show Ford scored greater sales gains than all other trucks combined!
No. 1	In choice of engine types. Only Ford gives you a choice of V-8 or six-cylinder engine design.
No. 1	In experience. Latest registrations prove that 2,003,153 Ford Trucks on the road have marked up 18,567,865 truck years of experience... a record equaled by no other truck.
No. 1	In long life. Using latest registration data on 6,104,000 trucks, life insurance experts prove Ford Trucks last longer.
No. 1	In value. Ford has the one right truck for you. Over 175 models up to 145-horsepower! The only V-8's in trucking! Two new Big Jobs rated up to 39,000 lbs. Gross Train Weight! They're Bonus Built which mean big reserves of strength and power.

BONUS: "Something given is addition to what is usual or strictly due"—Webster.

JEFF HOLDS BURLINGAME TO TWO HITS; PLAY PALO ALTO FRIDAY

By Milton Tromborg

Showing what probably will take them to the top in the PAL league, the Indians Monday held Burlingame down to a two-hit game for a 4 to 1 win.

Big gun for the Indians was Ed Cereghino, whose fast ball puzzled the Burlingame team from the first to the smashing finish in the seventh. Ed, rated as the Bay area's best baseball prospect, struck out a total of eight batters, walked two, and allowed one run.

BURLINGAME'S HOPES BLASTED
Burlingame, who had high hopes for winning the PAL crown, saw it go straight down the drain in the first inning. Centerfielder Don Lunghi got on base on a walk; second snicker Pete Delfino forced Lunghi to second. With one away, right fielder Henry Morgan hit a line drive, and got on base on an error.

With Lunghi on third, and Morgan on second, catcher Alex Findlay got his first hit of the day by lining a single into left field, driving in Lunghi. The score: Jeff 1, Burlingame 0.

Still in the first inning another run came in when Matzek singled, driving in Morgan, and then, with two outs, Roy Childress lined a single into right field, driving in Findlay.

The Indians scored one run in the second inning, when Lunghi got his second walk of the day. Delfino got on base on another Burlingame error. With Lunghi on third and Delfino on first, Alex Findlay again became the hero, by lacing a line drive double into center field, driving in Lunghi. This gave the Indians the lead of 4 to 0, which they held until the seventh inning.

BURLINGAME SCORES IN SEVENTH

Burlingame, trying hard to score,

scored their only run of the day in the seventh inning. The first batter to face Cereghino in the seventh got on base on an error by first baseman Roy Childress. This batter was forced out at second base, on a fielder's choice.

With still a man on first base, and two outs the next Panther man lined a single into center field, driving in the only Burlingame run of the day. The hitter tried taking second base, but Cereghino cut off the peg to home and threw him out at second to retire the side and to end the ball game.

The defensive team of the Indians didn't do too well, making a total of four errors. Shortstop John Matzek made the first error for the Indians on a hard hit line drive. Second baseman Pete Delfino made the second error while trying to score a double play, but instead, overthrowing first base.

First baseman Roy Childress made the third error on first base, and catcher Alex Findlay made the fourth error, on an overthrow to first base.

On the whole, the Indians look like a good ball club. Their hitting power is not too bad, and their defense is sure to come through.

This Friday afternoon the Indians will host Palo Alto High, with game time set for 3:30 p.m. Last year, the Indians scalped Poly 16 to 0.

Veteran's Inn, Seahawks Win Third Straight; Hoyt Edges Neville Motors

By Milton Tromborg

Veteran's Inn and the fighting Seahawks established themselves as the "teams to beat" in the Jefferson High Night Basketball League, with both teams winning their third straight contest last week, March 21.

The mighty Seahawks had no trouble with the V. V. Merchants and scored at will, taking their game by the impressive score of 65-29. The Seahawks held a lead of 15-5 at the end of the first quarter, and in the second quarter, the Seahawks opened with a shooting spree, holding a lead at half time, 29-10.

With forward Calwell hitting for 15 markers in the last two quarters of the game, the Seahawks went on to win by the final score of 65-29. The Seahawks controlled the backboards, and the ball throughout the contest.

This makes the third straight setback for the Merchants, without a win in the league.

TINY'S INN BEATS GIGLI

With the game all tied up at half time 17-17, Tiny's Daly City Inn came back in the last and final period to take their second win in the Jeff night league, over Gigli Plumbers, 33-28, Tuesday night, March 21.

It was a rough and tough go all the way, with both teams showing a lot of basketball ability. It was a team victory for Tiny's, with Bob Haller taking high honors for the winners with 10 points. Rerech paced the losers with 13 markers.

VET'S INN WINS

Veteran's Inn had a pretty hard time in eliminating the Loafers, to take their third straight win in the night league without a defeat, last Thursday night, March 23.

The Veteran's Inn won despite the superb scoring performance of forward Porte of the Loafers, who

tanked a high 33 points. Thirteen field goals and seven free throws counted for the 33 points, with Porte hitting for 11 in the first half, and 22 in the second half.

Veteran's Inn did not show their top form in this game, being a little sloppy on offensive play. Their ability to hit the hoop, and their backboard control which they showed previously to this game was really off. Rerech led the winners in scoring, with 16 points.

HOYT'S HAVE OFF NIGHT

That every team has an off night was proved in the second game of Thursday night when Hoyt Heaters won over Neville Motors by the close score of 42-39.

Hoyt Heaters, who already got their ears pinned back by Veteran's Inn, came close to losing their second game, but were saved by the excellent backboard control of Jack Dederman and Bill Milovich. Milovich was the main gun in the scoring department, also racking up a total of 16 points for the evening.

Neville Motors' George DeSalva took high honors for his team with 14 markers. The score at the end of the first quarter stood Hoyt 10, Neville 8. At half time, the Heaters held a slight lead of 21 to 16. Neville Motors came fighting back in the third period to tie the ball game up, 28-28.

About this time, the Heaters woke up on offense and on defense. Using a fast break, and scoring 14 points, the Heaters went out in front and were headed again.

On Thursday night, April 11, this coming Thursday night, Veteran's Inn will tangle with the Seahawks, in what could mean the championship for either team.

This game is the second game of the evening and will get underway about 8:30 p.m.

NATIONAL FORESTS

National forests and parks cover ten million acres of land in New Mexico, according to the National Automobile Club.

the Bureau of Marine Fisheries. Among the million pounds of kelp and sand bass taken each year from California coastal waters, marine biologists hope a fair percentage will turn out to be tagged fish. Knowledge of growth and migration habits, and other biological facts gained from returned tags, will aid the Bureau to establish conservation policies and laws based on reliable information.

Each tagged fish should be received at the Division's Terminal Island laboratory in the round. Plastic fin tags must be intact and the fish accompanied by a note stating where caught and name of the fisherman.

For his trouble, the angler will also receive a brief history of the fish.

Cooperating bait shops and fish dealers located near every important southern California boat landing will accept tagged fish for refrigeration until the catch is picked up by Division personnel.

Daly City Dogs Score In Show

Taking honors in Sunday's San Francisco Dog show were dogs be-

longing to three Daly City residents.

Heather Bit O'Promise, a one-year-old collie who makes his

home with Mrs. Sue Adams, 138 Santa Cruz, took a first in the novice bitch class.

Another of Mrs. Adams' collies, Miss Tille of Edinburgh came in with a third place award in the American breed. Miss Edinburgh is a two-year-old that to date has won 11 titles in her class.

Charles (Lefty) and Helen Griff, 106 Peoria, came up with winners with three English bulldogs. The pooches are the son and daughters of the famous Griff's Tardy Lad. The son did an extra special job,

Grinding-mill pebbles were produced in California during 1947 from the beach at Carlsbad, San Diego county.

Since 1856 a combined city-county form of government has existed in San Francisco.

taking the reserve winner place. A great dane belonging to Mrs. Beula Berkout, 26 Vendome, took a first in the novice class. The dog's name is Pryde of Lestomuir.

Bogus \$56.54 Check Passed At Lucca's

Latest victim of the bogus check is Lucca Market, 7370 Mission.

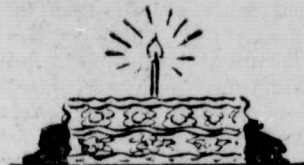

Police report that a man who used the name of John F. Kelly allegedly passed a bad check for \$56.54 at the market March 23.

The check was made out to Kelly and signed by a W. W. Witstone.

Westlake

A Town and Country Community

FIRST

BIRTHDAY

Completes the first year of development!

In Daly City—One of the Bay Area's fastest growing residential communities!

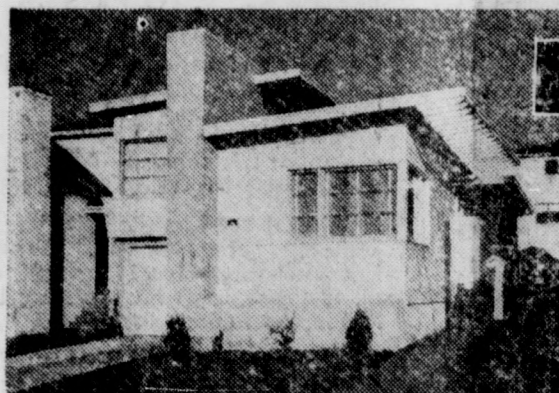

ONE YEAR AGO

TODAY

"A New Way of Living"

and....looking ahead....

Through a gateway of better, more comfortable living in a fabulously beautiful panorama of Doelger Built Homes. This is Westlake, created by a Master Builder, where the full advantages of casual "indoor-outdoor" pleasure more than fulfills the home buyer's dream expectations. Adjacent to five beautiful golf courses, swimming, boating and fishing in scenic Lake Merced, wooded park and playground, horses and adjoining trails, 40 acre recreation beach. To date, approximately 700 families have selected this unexcelled residential area as the foremost value in moderately priced better homes. When fully completed Westlake will comprise conveniently located schools, churches, theatre and shopping center. All roads lead to Westlake, a pleasant 16 minute drive from downtown San Francisco, located on Junipero Serra Blvd., at Highway #101 on the South Shore of Lake Merced. Your inspection of this distinctive and beautifully landscaped Town and Country Community will thoroughly convince you, as it has the 700 families who have bought here, that this is America's unequalled home value today. Drive to Westlake and be thoroughly convinced.

Typical Westlake Doelger Homes

The finest quality homes at the lowest cost per square foot has been a Doelger building principle for 25 years. That same principle is building WESTLAKE. Each home is a masterpiece of fine design, proud workmanship and finest materials. At WESTLAKE there's the "luxury touch" of well-cupboarded kitchens... family-size rooms... handy built-ins... quantities of tile in kitchen and bath.

SEE WESTLAKE
"Get a New Slant on Living"

An Apology

Due to unprecedented public acceptance through sales before completion of the first unit of 700 homes, it has been impossible to show a Model Home for your inspection. However, we are commencing Unit #3 and invite your inspection and inquiry regarding your home in this distinctive, planned Town and Country Community.

Ocean Fishermen May Also Hook New Rod, Reel

When the 1950 ocean sport fishing season gets underway this spring, California anglers may find they've hooked a new rod, reel, or other fishing equipment in the form of tagged kelp bass or sand bass.

The fishing gear is being offered as a reward for return of certain fish tagged in the last two months by members of the Southern Council of Conservation Clubs and the Division of Fish and Game. Prizes have been donated by tackle manufacturers, sporting goods dealers, party fishing boat operators, and others interested in ocean fish conservation.

Many of the tag numbers are on a secret list which will bring prizes when returned with the entire fish.

Joint efforts to tag the first 1,000 kelp and sand bass will be completed in April, according to

Silvestri And Hanson Enter S. F. Golf Championship Semi-Finals

Going into the semi-finals of the Twenty-seventh Annual San Francisco City Golf championship contest this year are Bob Silvestri and Einar Hanson, both of Daly City.

The lads will be out for a win on the 36-hole semi-final course this Saturday. Opposing Silvestri will be Walt Gilliam Jr., tournament medalist. But don't underrate the Daly City golfer... he's a three-time runner-up who manages to do his best work on the Harding green.

Hanson, a winner from way back, will fight it out with Ken Venturi, a youngster who took all junior titles last year.

The winners in these duels will return to Harding Sunday for another 36 holes to determine the champions.

In last Sunday's contest Hanson didn't clinch a victory until the 19th hole when, for the third time in a row, he spurted ahead to defeat young George Bruno, St. Mary's ace. The shot at the 19th that won for Hanson was a 54-foot sinker for a birdie three.

Silvestri, who just never seems to make the final successful run home, was under par and three up at the end of nine holes. He blew the 11th and 12th with bogies, but didn't have any trouble, as his opponent pulled the same stunt three times on the next three holes.

Boys' Basketball Practice Twice A Week At Castle

Boys, between the ages of 10 and 14 years, are invited to take part in basketball practice now going on at Castle Hall.

The games are sponsored by the Daly City Recreation League, and supervised by experienced coaches.

Events are scheduled for 7 p.m. to 9 p.m. at the hall each Tuesday and Wednesday.

Boys interested in improving their game will be helped out by Glen Smith, director of Castle Hall.

Smith is partially responsible for the winning OLPH team, that used the hall for practice during the past season.

All boys who wish to play basketball are welcome to take part in the practice games.

Hells Canyon on the Snake River in Idaho is deeper than the Grand Canyon of the Colorado.

FISH AND GAME NOTES

by Jimmy Fox

Looks as though the wind and the rain have all but stopped the angling for the present.

Whenever the salmon parties manage to get out on the ocean they seem to get plenty of action. Fish seem to be in a fairly well marked area between the lightship, Pt. Bonito and Pt. Reyes. Some of the boys have fished south near Pedro Pt. and report a few fish taken. However, the wind of the past week or so has slowed the salmon boys up considerably. After a wind or heavy sea it takes several days for the fish to school up again so the fishing may not be so good this week end.

Bass fishing has also been slow, with the little bit of action taking place up at the mouth of the San Joaquin and Sacramento rivers. In fact, the few fish reported in the Antioch area have been "whoppers." Last week end a 44½-pounder and a 41½-pounder were caught near there. The trolling which had produced in the Steamboat Slough area has stopped and only a few bass are being taken on bait.

ABALONE
The abalone fishermen have had poor luck so far as the tides are concerned. Also the wind produces a heavy "swell" in the surf which isn't too healthy for the abalone fishermen.

Rock fishing is very good when the boats can get out at Princeton near Half Moon Bay. The local Rod and Gun Club plans a deep sea fishing trip on April 16. They hope for good fishing this year and not an air sea rescue as the trip turned into last year. There certainly was a bit of irony to that story. After rescuing the parachutist from almost certain death and spoiling the afternoon's fishing to do so, there never was a letter or word of thanks from the airman concerned. I guess it's too much trouble to thank someone for doing you a favor. Well, anyway, if anyone wishes to jump in the ocean this year please do so on April 16 and the Daly City Rod and Gun Club will be there to rescue you.

TROUT FISHING
Must be that trout fishing is just around the corner for all the small boys in the area are buying fishing tackle in anticipation of the Lake Merced opening. It's really quite a sight to see a boy come into a store and spend his ice cream money for a fish hook or some line. Believe me, it's something to encourage when a youngster wants to take up a fine pastime such as fishing. Certainly can't do them any harm and it will develop many fine sportsmen for the future. If a 25c ball of fish line and 25c worth of hooks and sinkers will keep a youngster off the streets this summer, then I say it's a good investment. Keep them busy and they have no time to get into trouble.

Oh yes, here is a news flash that just came in on the teletype — The striped bass and the salmon have just started biting like mad all over the bay and ocean. Everyone who has been out there fishing has had their limit in 5 minutes the last day or so. Fish and Game reports it will continue until April 1. Hmm-mm-m, APRIL FOOL.

CONTROLLER

Fred E. Beer
Fred Beer Seeks Re-Election

San Mateo County Controller Fred E. Beer today filed with the county clerk for re-election to his present office.

To date no one has filed against Beer, who today made the following statement:

Once again I am presenting myself to the voters of San Mateo County as a candidate for re-election to the office of County Controller.

For some twelve years prior to becoming County Controller, I was a County Supervisor and Chairman of that Board.

I have lived most of my life in San Mateo County and have held responsible positions in its government for many years. In the past I have been Mayor of

CANDIDATE

James Tormey
To Run For School Superintendent

James Tormey, administrator of Adult Education at San Mateo Junior College, announced today that he will shortly file papers to run for County Superintendent.

San Mateo, president of the chamber of commerce, member of the county planning commission, president of the California Mission Trails association and exalted ruler of San Mateo Lodge of Elks.

I can only say that, if re-elected, I will continue as in the past, to devote myself to the duties and responsibilities of my office, and to the advancement of the welfare of San Mateo County.

Signed: Fred E. Beer.

Sportswomen Talk Of Conservation At Meeting

by Mrs. E. K. Whinnen

The conservation of natural resources, and fish and game, was the main topic of discussion at the recent meeting of the Daly City Sportswomen. Speakers on the subject were Elsie Garrison and Anna Van Dyne from the San Francisco Sportswomen, and Phyllis Engberg, secretary to the executive board of the Associated Sportsmen, and past president of the San Jose Sportswomen.

These women reported on the need for such conservation and ways and means of helping out the program. They pointed out that it probably isn't generally known that natural resources in this field are rapidly being depleted, and unless interested groups take active steps to promote legislation to prevent the constant "taking" without adequate replacement, in a few short years these resources will be gone.

Ed Meierding of the Daly City Rod and Gun Club, spoke to the members about the contemplated organization of the "Junior Sportsmen," a sports club for boys from 12 to 16, sponsored by the Associated Sportsmen for the area and local sports clubs locally. The Daly City Rod and Gun Club is sponsoring and trying to organize such a club here in Daly City and President Ed Meierding explained the way the club will be organized and run, and its objectives, and asked the help of the Daly City Sportswomen, as a coordinating and assisting unit. Our group was enthusiastic and agreed to assist the men wherever possible.

A crab fishing trip some time in April is the next event of interest coming up for the Sportswomen. It was suggested that if we catch enough crabs we could get together and have a crab feed, instead of ice cream and cookies, for a change. Now all we need is the crabs.

The Rod and Gun Club bass fishing trip to the Sacramento river ("Twas erroneously reported as a trout fishing trip by this writer last week. Yes, my face is red, thank you) was a complete success as an outing, but the Rod and Gun Club failed to make a date with the bass to be in that particular part of the Sacramento river at that particular time. With 11 or 12 car loads of us fishing for all we were worth, all day long, the only thing caught was ONE carp. But it was a swell outing in spite of the rain, and we thank the Daly City Rod and Gun Club for a very nice time.

Anna Van Dyne and Elsie Garrison of the San Francisco Sportswomen invited the Daly City Sportswomen to attend their meeting Friday night at 1279, 7th avenue. A number attended.

YOUR DANGER ZONE

When driving, watch your danger zone, which is defined by the California State Automobile Association as the distance within which you cannot stop. Length of the danger zone is determined by driver reaction time, speed of travel, and condition of brakes and tires. Never allow your danger zone to become greater than that distance ahead which you are sure is clear of hazard.

EXPERT NEEDED HERE

As the expert views it, there are three good reasons why the job of replacing pistons is one for the expert, points out the National Automobile Club. They all have to do with fitting the new parts. The first one is that the cylinder walls may be scored. Second, the cylinder walls may be tapered. The third reason is that the cylinders may be out of round.

of Schools at the election on June 6th.

Tormey, who has not heretofore ever considered running for political office, stated yesterday that for several weeks he has been besieged by civic leaders, by leading educators, by PTA leaders and a broad list of labor leaders and business men from all up and down the county, and had finally concluded to make the race.

Tormey's fourteen years in school administration for the joint account of two school districts, has resulted in minimizing overhead costs and providing what is recognized as one of the most outstanding educational programs of its kind in the State of California. It has provided summer high schools and continuation high schools for students forced to leave high school early.

Complete apprentice training programs for all the crafts and even veteran training programs out on the farms are included. Child care training for parents and Junior College girls is also provided.

Lake Merced Golf Course Soon Open To Students

Students at Jefferson high school soon may have an opportunity to use the Lake Merced golf course, free of charge, one afternoon a week.

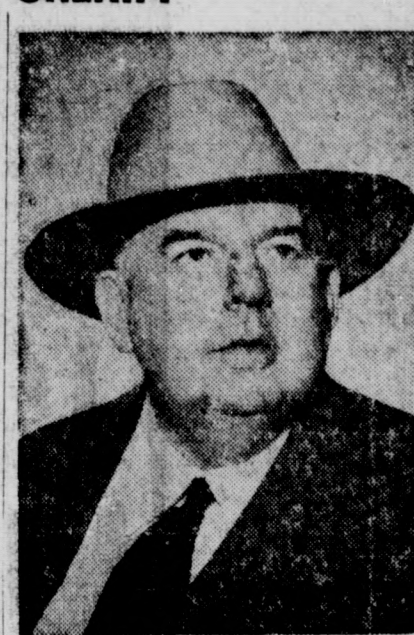

J. H. Kennedy, candidate for city council, has arranged with Lake Merced officials to use the facilities of the course. He is to speak with school authorities some time this week to complete the arrangements.

Further information as to day and time for use of the course will be published in the Record at a future date.

Not only will the students have free use of the course, but they will also have instruction by Kennedy and course instructors.

This is quite a feather in the "hat" of Daly City, as several Bay area colleges have been trying to get a similar arrangement with the Lake Merced golf course, and failed.

SHERIFF

James McGrath
Sheriff McGrath Files Papers For Primary

Representative citizens from all walks of life in San Mateo county are sponsoring Sheriff James J. McGrath's campaign for reelection in the June 6th primary election. It was disclosed today with the filing of the sheriff's nomination papers in the county clerk's office at Redwood City.

"I have been greatly honored by the confidence and trust bestowed upon me by the very worthy group of peninsula citizens who have affixed their signatures to my nomination papers," said Sheriff McGrath.

"It is interesting to note that even at this early stage of the campaign many other prominent citizens, aside from those who have already signed as my sponsors, have announced their intention of supporting me in the campaign for reelection."

"There can be no substitute for experience in the administration of important public office. That is particularly true with respect to properly conducting the affairs of an important law enforcement agency such as the sheriff's office."

"During my term of office (and the record will show this) I have kept close contact with the law enforcement agencies of the peninsula area, the bay region, the state and national police agencies."

"This is reflected in the fact that I am past president of the California State Sheriffs' Association; past president of the California Peace Officers' Association; President of the San Mateo County Police Executives' Association (a coordinated group of local law enforcement officers); I am a member of the radio communications committee of the Bay Counties Police Officers' Association."

D. 1948, recovered judgment against ARTHUR FRAPP, and ELSIE TRAPP, Defendants, for NINETY FOUR and 11/100 --- (\$94.11) Dollars, legal money of the United States of America, and costs of suit.

I have levied upon property described as follows, to-wit:

Lot numbered forty-eight (48) in Block numbered seven (7) as shown on that certain map entitled "Map No. 1 Vista Grande, San Mateo County, California."

Notice is hereby given, that on Friday, the 7th day of April, A. D. 1950, at 11:00 o'clock A. M., at the main entrance to the County Court House, City of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said ARTHUR TRAPP, and ELSIE TRAPP, in and to the above described property at PUBLIC AUCTION, for cash in legal money of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 14th day of March, A. D. 1950.

James J. McGrath
Sheriff of the

County of San Mateo, Calif.

By N. Zompolis, Deputy Sheriff, Floyd R. Eichelberger, Esq., 153 Kearny Street, San Francisco, Calif.

Attorney for Plaintiff.

ORDER TO SHOW CAUSE

NO. 51117
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of HENRY STEELE for leave to change his name to FREDERICK SCHEIDEGGER.

HENRY STEELE having filed with the Clerk of this Court his petition for leave to change the name of HENRY STEELE to FREDERICK SCHEIDEGGER, and good cause appearing therefor

DALY CITY RED CROSS DRIVE GOES OVER THE TOP

With the \$500 contribution of Henry Doelger, builder of Westlake, the Daly City Red Cross drive went over the top last

week. The quota for this community was set at \$2,000. Handing Chairman Joe Lewkowicz left, his check is Doelger. To the

right of the builder is Mrs. Lenore O'Neil. Mrs. Ethel Harris, residential chairman, stands to the left of Lewkowicz.

(Photo by Myra)

ELIMINATES THE NOISE

The motorist who is annoyed by whistles and squeaks and other extraneous noises should take it as his cue to get busy with the oil can, advises the National Automobile Club. It really is amazing the amount of silence contained in a few ounces of thin lubricating oil. Applied to parts that move when

they are supposed not to do so, oil will work wonders. It will induce silence where tightening of bolts fails.

Monterey was the seat of county government from 1850 to 1873, when Salinas became the county seat.

Words Of Praise For The Daly City Police Department

Letters of praise for the Daly City Police department were forthcoming this week from the California Division of Narcotics Enforcement and the San Francisco Chief of Police.

The Narcotic bureau congratulated the Daly City department for its active assistance in a recent raid on a local creamery in which a gang of San Francisco juveniles was broken up. While no narcotics were found at the time of the raid, it is believed that quick action by Daly City police halted activities of a drug tag in this area.

Words of praise also came from Michael Mitchell, San Francisco Chief of Police, for the Daly City department's assistance in apprehending "Billy The Kid" Houston, March 7.

Following are the two letters. The first is from W. K. Creighton, chief of the division of narcotic enforcement:

"Inspectors Ralph Armstrong and John Lennon of this division have been conducting an investigation in Daly City and they have recently called to my attention the fact that Chief of Police Sunderland afforded them splendid cooperation and assistance in their investigation.

"I therefore wish to extend, through you (Mayor Paul Green), to Chief Sunderland and members of the Daly City police department, our heartiest thanks for their assistance."

PAT ON BACK
The second letter is from Mitchell, San Francisco Chief of Police, and reads:

"I desire to take advantage of this opportunity to congratulate you and your department for the splendid cooperation accorded us in the apprehension of two criminals, who on the evening of March 7 beset San Francisco merchants with a series of robberies. 'Particularly do I wish to compliment Sgt. Roland Petrocchi, Patrolman Benassini and Motorcycle Officer Henry Sundermann, through whose unique investigative work the arrest of Billy the Kid Houston and Frank D. Guida was accomplished.

"You may be assured of a maximum measure of reciprocal cooperation by this department whenever the occasion arises for such performance."

OBITUARIES

Joseph J. Jackson

A well-known Daly City resident, Joseph J. Jackson, 49, died at his home at 260 Wyandotte avenue, early Sunday morning, March 19. The inspector for the U. S. navy yard at Oakland suffered a heart attack, and was dead before he could be treated at Junipero Serra hospital.

He is survived by his widow, Mrs. Dorothy Jackson, and a daughter.

A native of Lafayette, Indiana,

Many Fortunate Winners In "Find The Word" Contest

Sorry, but due to shortage of space, we were unable to run our "Find the Word" contest this week in the Shopping News. However, the fun and fortunate deal will continue next Thursday and Friday.

As to the sharp eyed persons last week, the word "Mission" appeared 51 times in the advertisements and the following were first to call in with that number: Five dollars go to M. Celentano, 5861 Mission St.; Mrs. L. Jost, Rt. 1, Box 466, Colma and Lois Burton, 406 Niantic, receive Decker hams from Mission Cannery Sales and Farmers Meat Co.; Mrs. S. Kilcoyne, 424 Bellevue avenue, gets a basket of groceries from the Market Basket; Gail Alexander, 348 Winchester, and Elaine Ball, 385 Winchester, receive bags of food from the Belli Market; Mrs. R. Young, 239 Evergreen, and Mrs. R. Christensen, 266 Los Banos, get three months subscriptions to the Daly City Record.

The lucky people are asked to call at the Record office.

Jackson's funeral was held in Lafayette last week. The W. C. Lasswell mortuary handled all details.

Mrs. Lillian Vincent

Funeral services were held Friday, March 24, at Corning, California, for Mrs. Lillian Vincent, 78, a four-month resident of Daly City.

Mrs. Vincent died Tuesday, March 21, at the home of her daughter, Mrs. Fay Cotter, 707 Bellevue.

She was a native of Illinois, and had been visiting her daughter at the time of death.

Following the services, interment was at the Sunset Cemetery in Corning.

Mrs. R. M. Block

Mrs. Ruth Marie Block, Catholic Daughters of America deputy, died after a short illness Sunday, March 19.

The CDA official was well known in Daly City for her work with Court St. Mary No. 1156. In addition to being a member of CDA, Mrs. Block was active in the Loyola Guild and Holy Rosary Sodality of Star of the Sea Church.

Funeral services were held Wednesday from the Memorial chapel of Care and English, thence to Star of the Sea church where a solemn requiem mass was offered for the repose of her soul. Rosary was recited Tuesday. Interment was at Holy Cross cemetery.

Mrs. Block is survived by her widower, Herbert, and two sons, Donald and Henry Block.

Mrs. Anna Voelker

A resident of Daly City for the past 24 years, Mrs. Anna Voelker, 77, died of a heart attack at her 424 Irvington street home March 20.

Mrs. Voelker is survived by two sons, Bernard and William, both of Daly City.

Funeral services were held Thursday, March 23, from the White funeral home. Interment followed at Cypress Lawn cemetery.

Arthur Amos

A Colma resident for 30 years, Arthur Amos, 77, died Monday, March 20, at the county relief home following a long illness.

Born in Iowa, Amos came to Colma early in his life and was employed as a laborer. He has no living relatives.

Funeral services were held Friday at the W. C. Lasswell chapel, and interment followed at Cypress Lawn Cemetery.

Marcello Vernengo

Struck down by a heart attack in his home at 398 Bellevue avenue last Wednesday, Marcello (Charlie) Vernengo, 60, died at the Junipero Serra hospital a few minutes later.

The 35-year resident of Daly City was well known in this area and operated a smoke shop in Loma Park. He was a member of the Colma Vista Grande Aerle No. 1848, FOE, and the American Legion.

A native of Genoa, Italy, Vernengo came to this country in his youth. During World War I he fought with the American forces. He is survived by his widow, Mrs. Aurelia Vernengo; two daughters, Mrs. Barbara Bodmer and Mrs. Doris Rehe; two sisters, Mrs. Theresa Molino and Miss Carlo Vernengo, and various relatives in Genoa.

Funeral services were held Friday at the W. C. Lasswell chapel with interment following at the Golden Gate National cemetery.

William Headley

A resident of Colma since 1919, William Headley, 57, 7700 Mission, died here Wednesday.

The retired mechanic was work-

ing at the Millet Auto court at the time of his death. He is survived by his widow, Mrs. Marie Headley.

Requiem mass will be recited for Headley at Holy Cross church at 9 a.m. Friday, March 31. Rosary was recited for Headley at the W. C. Lasswell chapel Thursday night.

John Heussmann

John Heussmann, 63, 376 Bellevue, died at his home March 28, following but a six-month residence in Daly City.

A former resident of San Pedro, Heussmann was a member of Balder Lodge No. 393, FN&AM, and California Consistory of AA&SR.

He is survived by his widow, Lettie. She is the only known sur-

California has a greater variety of minerals of possible commercial importance than any comparable area in the world.

vivor.

Funeral services were held Thursday at the W. C. Lasswell chapel, with interment at Woodlawn cemetery.

GETTING BACK ON THE ROAD

The wise motorist doesn't cut back sharply to the main road surface after running off the road shoulder, declares the National Automobile Club. He knows that the wheel striking the road edge at a good speed is apt to twist the steering wheel out of his hands, so he pulls back on the road surface only after he has slowed down to be safe.

The General Sherman Tree in Sequoia National Park is estimated to be 3500 years old.

Lots of Hot Water
when you have
extra gallons on hand!

Can you get "generous second helpings" of hot water in your home? Too often water heaters are too small to deliver hot water as you like it — for two baths in a row. Or if hot water is being used in the kitchen or laundry—there is nothing but cold water left for bathroom use.

An Automatic Gas Water Heater should be "sized up" to fit your family's needs. It is the smart thing to do. It is thrifty too. A larger water heater delivers extra gallons of hot water when you need them... at lower cost per gallon. Be guided by the chart below when you buy your next Automatic Gas Water Heater.

How to buy your next Gas Water Heater

1. PROPER SIZE. A fully adequate water heater costs so little more now, and will save you from having to make costly replacements later.

2. QUALITY MAKE. You will get longer, better service when you buy a top-quality automatic gas water heater that carries a manufacturer's guarantee.

It costs less to heat water in California

P.G. & E.

rates are among the lowest in the nation

Average Electric Bill To Go Up 30c

Your electricity bill will go up six per cent April 15, the Pacific Gas and Electric company announced today.

Permission for the rate increase was granted the company by the state public utilities commission. PG&E officials estimate the increase will be about 30 cents a month on a \$5 to \$6 a month bill in Daly City homes.

The raise is expected to add \$8,766,000 to the bills of PG&E's 1,270,000 customers in northern and central California.

The dome of San Francisco's city hall rises 308 feet above ground level — 16 feet higher than the national capitol in Washington.

Register Now To Vote June 6

Registrations for the June 6 primary at which federal, state and county officials may be nominated or elected, close on April 13.

It is important that the citizenry of the county become aware of the need to register or re-register if they have moved or do move prior to that date, County Clerk W. H. Augustus said today.

Registration qualifications — American citizenship, 21 years of age or older, residence in the state at least one year, in San Mateo county 90 days and in your precinct 54 days prior to the day of the election, June 6, 1950.

Voters must register if they have not previously done so since becoming residents of the county, if they have moved since their last registration within the county, if they did not vote at either the 1948 primary or general elections, or if they have changed their names by marriage since last registering.

Registration deputies are conveniently located in various areas

SMJC Students To Enjoy Vacation

While next week is Easter vacation for San Mateo Junior College students, not all activity will cease at the college.

Many men and women will have time to work on their vegetable plots on the Science campus, students will keep on working on the coming term play, and flying students will have more chance to build up their time in the air.

College short shorts: John Reber lectured for the college engineering students on his plan to improve San Francisco Bay; President

"Register now if you are not presently registered — or re-register if necessary as above indicated and assure the privilege of voting on June 6," said Augustus in conclusion.

DAILY CITY ELECTION, TUESDAY, APRIL 11th - BE SURE TO VOTE

UNDER INFLATION

Uneven tire wear or cupping on tread edges is usually caused by under-inflation, the California State Automobile Association advises. Using an accurate tire gauge and checking air pressure at least once each week is advised.

Nine out of ten American automobile manufacturing companies home plants are located within a radius of 85 miles of Detroit, Michigan.

San Francisco's park system occupies one-ninth of the city's area.

You've Read About It!—You've Heard About It!

It's Here, Now! Come and see it!

IT'S HERE NOW—the greatest all-season tire ever built—the greatest winter driving safety.

IT'S HERE NOW—the greatest stopping power in tire history—up to 60% more safe miles.

IT'S HERE NOW—the new Mid-

Century TRIPLE-TRACTION TREAD that sweeps, bites and holds where tires have never held before.

IT'S HERE NOW—the new Mid-Century PROTECTIVE CURB GUARD that gives you EVERLASTING WHITEWALLS.

Act now and get

THURSDAY, MARCH 30, 1950

**John Shiner, Head
Of Sunset Motors,
To Be On Program**

Guest of the Anglo California
Bank of San Francisco auto news
radio program this Sunday will be
John Shiner, head of Sunset Mo-

tors, 1215 Ocean avenue.

The program can be heard over
station KSFO at 10:15 a.m. Shiner
is to be interviewed by Hal Smith,
monitor for the auto news show.

A native of Detroit, Shiner came
to San Francisco after the war,
and opened his Ingleside Pontiac
dealership in 1948... the same
year Pontiac came out with the
Hydra-Matic transmission.

During the course of the pro-

gram, Shiner is expected to bring

out some facts concerning the de-
velopment and progress of the au-
tomatic transmission, as well as its

advantages and relative low cost.

Shiner also will tell of the fea-
ture that has made Sunset Motors
so popular both in Daly City and

Ingleside. That is, not only is Sun-
set Motors a place to purchase an
automobile, but it is also a dealer-
ship where the customer is treated
properly after the sale is complet-
ed. All of the customer's com-
plaints concerning his new car are
gone into thoroughly, and he is
given complete, courteous service.

Cancer Crusade Quota Is \$27,500

Local post office officials will cooperate with the American Cancer Society in the 1950 Cancer Crusade by handling mail addresses

sed with the single word "Cancer." Phillip S. Pope, American Cancer Society Campaign Chairman, said that Postmaster John F. Fixa had informed local postal clerks of a regulation permitting the use of the address "Cancer." The chairman explained that all letters so addressed are routed to 18 Second avenue in San Mateo, the local Cancer Society Information Center. The San Mateo County quota is \$27,500. The drive opens April first, but any reader wishing to test the post office efficiency may do so at once.

"This sum is so small," said Mr. Pope, "that if each person who lives in the county would give up his supply of gum or cigarettes for one week, and would devote that money to the cancer drive,

DESPERATE GAMBLE

When you gamble that you can beat a railroad train to a crossing, you are putting up the highest possible stakes — your own life, the California State Automobile Association points out. Even if you win, you have gained nothing more than a few moments of time, at a terrible risk.

sible stakes — your own life, the California State Automobile Association points out. Even if you win, you have gained nothing more than a few moments of time, at a terrible risk.

\$500 Reward!

Herewith you will find one of the oddest offers and most unusual proposals that has ever been seen, or known to be presented to the public. The purposes of the proposal are manifold. First, it is to show how gullible people in general are when it comes to swallowing whole and believing evil about their government, or the officials therein.

Second, it is to lift the "political smog" that has enveloped our city for many years . . . a smog which has had an intensely detrimental influence, not only on the city as a whole, but on the thinking and conduct of its people. These people have sincerely desired to be properly informed so they could use their best judgment when it came to making decisions respecting both local and national government.

"CROOKED GOVERNMENT"

Ever since our city came into being in 1911, and even before, reports have been heard of "crooked government" and "crookedness" on the part of our public officials. Since coming to this community in 1908 and up to 1940, when I had the good luck to be defeated for public office, and have time to look after my own business and more fully enjoy life, I was in very close touch with both our local and county government, and with what is generally termed "politics."

SURPRISE -- SURPRISE

Surprising as it may be to some, during all that time I had no personal knowledge of the bad condition of which so many are sure existed.

Every public official with whom I had the honor of associating during that entire time was honest to the nickel, and was so concerned or more concerned about the public's interest than if he was conducting his own business.

During the 18 years I had the honor of serving the people of this city as councilman and mayor, I was in closest contact with the administration of city business. In reference to those 18 years, and to my business career in this community since 1908, I am going to do something very unusual which some will regard as absolutely ridiculous.

\$500 REWARD OFFERED

I HEREBY OFFER \$500 IN CASH TO THE FIRST PERSON WHO WILL BRING TO LIGHT ANYTHING IN THE WAY OF "CROOKEDNESS" OR SO CALLED CROOKED DEALINGS IN WHICH I HAD A PART, OR EVEN HAD KNOWLEDGE. TO THIS OFFER THERE ARE NO "IFS OR ANDS;" IT MEANS JUST WHAT IT SAYS. THERE ARE NO STRINGS ATTACHED AND IT BARS NO ONE, FRIEND OR OTHERWISE. IT COVERS ANY AMOUNT FROM 20 CENTS UP, AND IT COVERS MY OWN PRIVATE BUSINESS AS WELL. IN THE PUBLIC AND CITY INTEREST, LET'S HAVE THOSE WHO PASS THESE STORIES AROUND, PUT UP OR SHUT UP.

STORY TELLERS

Quite naturally, it is true that many who talk of all that "crookedness" believe it themselves, and feel that they are doing the right thing in passing the stories along for the people's guidance, which they should do in such a case.

We must have a properly informed public, if we are to expect good judgment on their part. A misinformed public can act unwisely, even to the extent of being a public menace, just as a misinformed jury could act unwisely and unfairly, but neither can be blamed, if not given the facts to judge.

Therefore, a duty falls upon anyone in a position to do so, to correct misinformation and false impressions and that is the real purpose of this unusual offer.

A SIMPLE TASK

Here you have a simple thing to do—just look up the person or persons who have misinformed you, ask them for supporting evidence on what they had told you, bring it in, and get \$500.

Not only would I willingly pay you, but would put another ad. in this paper admitting your claims to be true. I want to fly under no false colors.

For my part in the administration, of which I was a part, I want no credit. I have no special credit coming. I was raised and taught in the good old-fashioned way, to believe it was right to be honest, and the many offers I quite naturally had to be otherwise, never even tempted me.

Signed:
 H. H. SMITH, Sr.
 187 Irvington Street
